Makna Konotasi Pada Kata atau Frasa dalam Lirik Lagu di Album Adele 21: Analisa Konten. Program Studi Sastra Inggris, Fakultas Ilmu Budaya. Universitas Brawijaya. Pembimbing: (I) Lalustas B Universi Merdi (II) Wuliatmi Sri Handayani awijaya Universitas Brawijaya Kata Kunci: Makna Konotasi, Diksi, Lirik Lagu, Makna Denotasi, Semantik, Pesan, dan Adele Universitas Brawijaya sitas Brawijaya Universitas ersitas Br Musik tidak dapat dipisahkan dari kehidupan manusia. Fungsi musiksitas Br

adalah untuk membuat orang dapat mengekspresikan emosi dan perasaan di dalam kehidupannya. Adele sebagai seorang penyanyi wanita dan penulis lagu menggunakan lirik lagunya untuk berbagi ide dan menyampaikan pesan kepada para fansnya. Lagu-lagunya yang kebanyakan bercerita tentang kesedihan cinta memiliki banyak makna konotasi dan pesan yang terkandung.

Lagu-lagu Adele memiliki banyak makna konotasi dan pesan, karena itu penelitian ini ditujukan untuk (1) menemukan kata atau frasa yang mengandung makna konotasi yang digunakan dalam lirik lagu Adele di album 21, (2) menemukan makna dari setiap kata atau frasa yang mengandung makna konotasi berdasarkan konteks di mana kata atau frasa tersebut digunakan, dan (3) menemukan pesan dari lirik lagu yang berkaitan dengan pengalaman hidup Adele. Untuk menjawab permasalahan penelitian, penelitian ini dilaksanakan dengan menggunakan desain penelitian deskriptif kualitatif yang bertujuan untuk meneliti kata atau frasa yang bermakna konotasi dan pesan dalam dua dari tigabelas lagu Adele yang berjudul *Rolling in the Deep* and *Someone Like You* di album 21, kemudian mengidentifikasikan makna kata yang ditemukan, menganalisa pesan, membuat penjelasan serta menarik kesimpulan dari hasil penelitian.

Hasil dari penelitian ini adalah peneliti mengidentifikasikan bahwa lagu *Rolling in the Deep* memiliki dua puluh kata atau frasa yang mengandung makna konotasi dan *Someone Like You* memiliki empat belas kata atau frasa yang mengandung makna konotasi. Peneliti juga menganalisa pesan yang memiliki kesamaan tema tentang kesedihan cinta. Kedua lirik lagu tersebut memiliki pengaruh positif untuk Adele bahwa ia harus terus melangkah dalam hidupnya meski banyak rintangan menghadang.

Selain itu, diksi dari kata atau frasa yang mengandung makna konotasi dalam lagu Adele tersebut sangat unik yang dapat menunjukkan kemarahan dan kesabaran Adele ketika menjalani kehidupan percintaanya. Diksi tersebut juga berkontribusi dalam hal menyampaikan pesan dari lagu Adele. Interpretasi dari makna konotasi tersebut didiskusikan berdasarkan konteks dari lagu Adele. Kedua lagu tersebut dapat merepresentasikan kesedihan cinta Adele. Peneliti menyarankan kepada para peneliti berikutnya untuk meneliti lirik lagu lain dan elemen lain dari lirik lagu seperti makna figuratif dan arti yang terkandung yang dapat menambah informasi untuk memahami makna konotasi dan pesan.

Universi 2.1 Theoretical Frameworks

Universi 2.1.1 **Semantics**

The term "semantics" is derived from a Greek verb meaning 'to signify'. It is coined in the late nineteenth century (Lyons, 1968, p. 400). Then, the word Universit"semantics" appears in French as "sémantique", as used by Michel Bréal duringsitas Brawijaya the 19th century, in his book entitled Essai de sémantique published in Paris 1897 Universit (Pateda, 2001, p. 3). It can be considered as the first use of the term "semantics" Sitas Brawijaya Universitin the modern age. Universitian Branches of Semantics that deals with the study of meaning is one of the branches of Universi linguistic study. There are several linguists who define semantics. Palmer (1979, Sitas p. 1) says that "Semantics is the technical term used to refer to the study of Brawnay meaning and since meaning is a part of language, semantics is a part of Universital Brawijaya Universi linguistics". Poole (1999, p. 22) also says that "Semantics might be described assitas Brawijaya the study of meaning". According to Yule (1996, p. 114) "Semantics is the study Universit of the meaning of words, phrases and sentences". Saeed (2003, p. 3) also adds that sites Brawijaya Universitas Brawijaya

Based on the Universitas Brawijaya Universitas Brawijaya Universi statements above, the researcher can conclude that semantics is a part of the Brawliav linguistics which covers the study of meaning of words and other parts of Universitlanguage, such as phrases, and sentences, ya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universit2.1.2 Meaning Univ Universitas Brawijava In analysing the language as a means of communication, the analysis Universi cannot be separated from the definition of meaning. When people communicates Universitive stars be universities be universi communication. Certainly, each utterance that they say contains a meaning related Universi to the idea or concept that they want to share. According to Lyons, (1981, p. 136)sitas "The meanings are ideas or concepts, which can be transferred from the mind of rawijava versit the speaker to the mind of the hearer by embodying them, as it were, in the forms sitas rawijaya of the one language or another". Later, according to Kempson (1977, p. 11) there are three main ways in which linguists and philosophers have attempted to Universit construct explanations of meaning in natural language, namely: a) by defining the nature of word meaning, Universitas It means that the word meaning is taken as the construct in terms of which Sitas Brawijaya Universitian sentence meaning and communication can be explained. In this way, there issitians Brawijava a clear relation between words and objects. Universitian Braw, Therefore, when people want to describe the meaning of a word or Universit sentence, they have at least three possible starting points from which to construct Universi an explanation of meaning - the significance of words, the interpretation of sentences and act of a communication. Universit2.1.3 **Connotative Meaning** In this section the researcher explains about connotative meaning of a Universitias word that will help the readers to understand the words or phrases containing Universi connotative meanings in the song lyrics in Adele's album 21. There are several sitas definitions of connotative meaning as the reference. Collins (2001, p. 157) defines connotation or connotative meaning as an additional meaning or association Universi implied by a word. Based on Grolier (2000a, p. 283) connotation refers to thesitas Brawijava configuration of suggestive or associative implications constituting the general Universit sense of an abstract expression beyond its literal, explicit sense. Reaske (1966, p.SItas Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Universi 29) also adds that "Connotation is one of the various implications or associations that a word carries". Therefore, connotative meaning always needs a response Universitwhich contains emotional values from the readers.versitas Brawijaya rawijava

Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya Universitas Br In comprehending connotation in depth, connotative meaning and its parts Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Universi should be studied carefully. Connotative meaning is more difficult to understand it as than denotative meaning and more connected with people's feeling, whether it is rawijaya Universi happy, sad or hateful. It needs more interpretation to connect the word with thesitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas context which appears. In contrast, denotative meaning has lexical meaning that sitas Brawijaya Universit can make a sentence easier to be understood by readers. A sentence can be Universitinterpreted connotatively; usually readers are able to know the real meaning of thesitas sentence by looking at the context. Let's check these two different examples Universit below: 1) Tomorrow will be my father's birthday. I will give him a white collar shirt. 2) My mother is a teacher and my father is a white collar man. The first sentence consists of denotative meaning. The words "white Universit collar" refers to a part of a garment that fits round the neck, which has a white sitas Brawijaya Universi collar. In contrast, the second sentence has a connotative meaning. In western countries, white collar refers to people that have a profession in an office and Universitalways wear a white collar shirt before wearing their coat. Connotative meaning issitas Brawijaya a kind of meaning whose response has emotional values. Some of connotative meanings occur because the speaker wants to get agreed feeling, pleasantness or ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi unpleasantness etc, to the listeners but in another side, the speaker has the same sites Brawijava ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br According to Mwihaki (2004, p. 131), connotation is the real-world valuesitas Brawijaya Universita speaker associates with an expression. Universitas Brawijaya Universitas Brawijaya Universit4.2 Discussion Universitas Brathis part was the discussion of the whole data to answer the problem it as proposed in the previous chapter. From the finding which was described above, it Universi could be concluded that Adele's songs entitled Rolling in the Deep contained of Universittwenty words or phrases containing connotative meanings that tell about Adele's sadness which changed into anger to her boyfriend who had betrayed her. Later, Universi Someone Like You contained of fourteen words or phrases containing connotativesitas meanings which told about Adele's sincerity and patience to accept that she and Universither boyfriend could not be together in love. Denotative meaning has no taste or feeling in giving the meaning of the song, whereas the connotative meaning has the sense of meaning of the song. This song ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Universi became masterpiece of her album 21 because she knew how to express hersitas emotions and feelings by using connotative words. Later, in the lyric Go 'head Universitand sell me out, Adele used the phrases "go 'head" and "sell me out" to express tas Braw Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Universi connotatively her disappointment and ignorance to her boyfriend and let him go.sitas Br Universit Furthermore, in the lyric <u>I'll lay your shit bare</u>, the phrase "shit bare" sitas Bruniaya Universitas Bravilaya Universi connotatively meant that Adele tried to uncover her boyfriend's badness that hesitas was a betrayer. The lyric See how I leave with every piece of you was the expression of Adele's condition that she left every memorable moment Universit with her boyfriend after her relationship was over. The uniqueness was in the usesitas of word "piece" to describe the memory of love between them. In the song entitled Someone Like You, the lyric I hate to turn up out of the blue uninvited has connotative meaning as the expression for Adele who did not like to be drowned into sadness and despair after losing her love. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya connotatively meant Adele's survival. The lyric meant that she tried to survive ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitafter she heard that her boyfriend had already married with another woman. Iniversitas The use of some connotative words affected the reader's feeling. In writing Universi the song lyrics, Adele knew how to use certain connotative words or phrases insitias Br Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Universitas order to build the reader's interpretation for example in expressing love, sitas Br happiness, sincere and sadness. For example the phrase that expressed anger was as Brawijava Universi Universi in the lyric It's bringing me out the dark. "Dark" connotatively meant hidden personality. The lyric it's bringing me out the dark meant that Adele finally knew clearly about her boyfriend's personality. It showed that her boyfriend has bad Universi personality which was a betrayer. Next, the example of the phrase showed her sadness of his betrayal was in Universi the lyric The scars of your love and And you played it, to the beat. The formersitas connotatively meant Adele's boyfriend betrayal that made her hurt and latter showed that she became sadder because her boyfriend hurted her again and again. Sitas Universi Later, in the lyric Make a home down there, the phrase "make a home"s connotatively indicated that her boyfriend should stay for a long time in there. The other example was in the lyric Finally I can see you crystal clear. The phrase "crystal clear", connotatively meant Adele Universi boyfriend's obvious behaviour. The lyric meant that Adele finally could see howsitas he really is. <u>You had my heart inside your hand</u> showed another expression of her feeling. Last, in the lyric Count your blessings to find what you look for. ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Universi The word "blessings" in connotative meaning meant to love and all things that Adele's boyfriend already got. The lyric showed that Adele already gave him her Universitlove and all things include care and happiness. Nevertheless, he left her so badly, rsitas Braw Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya In the song entitled *Someone Like You*, the phrase that refered to Adele's Brawijaya boyfriend was in the lyric <u>Old friend, why are you so shy.</u>"Old friend" as Brawiiava Universitas Universi connotatively meant to Adele's boyfriend as her old friend who had alreadysitas accompanied her for a long time. Later, the word *"light"* in the lyric <u>Ain't like you</u> to hold back or hide from the light, connotatively meant to the reality that Adele's Universi boyfriend has to deal with. Later, in the lyric Bound by the surprise of our glory days, the phrase "glory days" connotatively meant to the days which were filled Universit with happiness in Adele's relationship with her boyfriend. They were very happysitas with the relationship but in fact, Adele knew that it was not a happy ending Universit relationship. The other dictions of the songs, like "a fire", "a fever pitch", sitas Br "breathless", "open door", "treasured gold", "head burn", "soul", "settled down", "things", "our lives" were used to get poetical and aesthetic values. Universitas Brawijaya Universitas Brawijaya I heard that you're settled down rawijaya That you found a girl and you're married now. I heard that your dreams came true. Guess she gave you things I didn't give to you. Universitas Brawijaya Unive Old friend, why are you so shy?'s Brawijaya Universitas Brawijaya Ain't like you to hold back or hide from the light. jaya

> I hate to turn up out of the blue uninvited But I couldn't stay away, I couldn't fight it. I had hoped you'd see my face and that you'd be reminded That for me it isn't over.

Never mind, I'll find someone like you I wish nothing but the best for you too Don't forget me, I begged I remember you said, Sometimes it lasts in love but sometimes it hurts instead, Sometimes it lasts in love but sometimes it hurts instead Yeah

> You'd know how the time flies Only yesterday was the time of our lives We were born and raised In a summer haze Bound by the surprise of **our glory days**

Nothing compares No worries or cares **Regrets and mistakes** They are memories made. Universities Brawii Who would have known how bittersweet this would taste? Universitas Brawijaya Universitas Brawijaya

2. The Transcript of Adele's Interview (*Someone Like You*) Length: 2:30 Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Someone Like You is the last song on the record and it was an again I guess Isitas Brawijaya Universitas can really open that I was right, I was feeling impressionable, pretty lonely ersitas Brawijava Universitas It was kind of contradict with Rolling in the Deep where it feels like I'msitas Brawlava

gonna be fine without you and it was makes me a kind of - on my knees. Yeah, well I mean that the relationship, the entire of the records about this. It Universitas

is really some doppings for me. Someone Like You changes me in a really good way. It is really made me who I am. The moment, you know, then I should be able - the relationship. Oh I hope so, but I hope it changes me in a fine way but

I can't imagine being about foe and looking for him again and turning upset when he with a beautiful wife, some beautiful kids and it is completely happy and I'm still on my own. It is kind of this, it is kind about that and it is I'm^{SILAS} quite scared of that. It is kind of fully mad.

On that innocent – on the younger innocents – annoying I even childish and innocent and dumb and I think even I lot growing face - with mature and when I'm wise and be on my age think it was I'm on this one. You know it is kind of a little bit more about myself and I'm excepting of rejection of my famz and I – you know, upsets me but I can deal with it, you know, I'm in it is no I just make questions on myself that my G—probably should be my be questioned, but I think this, the entire of the record, it is kind of grown up or mature and since he when - that leave it, it is just set for Someone Like You that it is the best fierce.

Stubborn on, I'm being stubborn even I'm saying it but I can't really hope, it Universitas can be just forever, it is just the way he done and that - something that Isitas Brawijaya really alone in last a year is Brawijaya Universitas Why, why I've kind of been the covering, where it is been happen and I feels as Brawijava Universitas better, I feel alive and healthy for not dwelling of it too much.
