There are two kinds of implicatures in a second applied by the three main characters. First is, conversational implicature that is rawijava Universitdivided into two types, generalized and particularized. To differentiate betweensitas Brawijaya generalized and particularized conversational implicature, the writer limits Universitgeneralized conversational implicature into two types, scalar and indefinite Brawijaya Universitimplicatures. All kinds of implicature are found in the conversation performed bysitas Brawijava Manny, Diego, and Sid as the main characters in "The Ice Age 4" movie. There Universitare two generalized implicatures which were applied by Sid, first is indefinite Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya implicature and second is scalar implicature. There are three particularized implicatures that were applied by Sid whether to Diego or to Manny. There is Universitonly one conventional implicature done by Sid. Manny performed threesitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawij43/a Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijava

Manny also performed generalized ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Universi once to Sid, and one conventional implicature to Diego and Sid. For Diego, hesitas Brawijava performed two generalized implicatures and two particularized implicatures to Universit Manny and Sid. He performed conventional implicature only once. ava Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Besides analyzing the kinds of implicature and the intended meaning, the University writer wanted to have a deeper analysis by trying to relate it with the maxims Universit which are being violated, thus she also analyzed the flouted maxims done by thesitas three main characters even it is not proposed in the problems of the study. The writer found that all types of maxims (quantity, quality, relevance, and manner) were being flouted and caused implicatures in the conversation. Therefore, this is a study is a combination of two fields in pragmatics which are implicature and Universit maxim because two of them are very much related to cooperative principle. Universit Universita Universit 5.2 Suggestion The writer hopes that this study will be very helpful for the readerssitas especially for the English Department student. The writer hopes that there will be Universitsome similar studies with deeper analysis because the writer believes that this sitas Brawijaya Universit study becomes the reference for the next researchers who want to conduct further study in this field to have a deeper analysis. The writer also hopes that this study Universitas Brawijava Universitas Brawijava rsitas Brawiiava Universit will be one of the inputs to the development of pragmatics field especially insitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas implicature. The writer suggests for the next researchers to conduct a case study about implicature, or the next researchers can also conduct not only dealing with Universitas Brawijaya Universitas Brawijaya Universi implicature, but also relate it with other fields of study such as FTAs and Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya
