

ACKNOWLEDGEMENTS

How grateful the writer is when this study could be finished well. First of all, the writer expresses her gratitude to God for the blessing during the accomplishment of the study entitled “Implicatures Found in Conversations Done by the Main Characters of *Ice Age 4* Movie”

The writer also would like to give her best tribute to her parents John Martinus Leatemia and Yanti Maria thanks for the love, patience, and the endless support from the very beginning up to the end for the process of conducting this research. Big appreciation is also given to her sister Adelia Leatemia for the advice and love.

In addition, the writer gives her sincere appreciation to these honorable supervisors Iis Nur Rodliyah M.Ed and Widya Caterine Perdhani M.Ed. Thanks for the guidance, assistance, comments and suggestions that the writer came to know about a lot of knowledge related to this study. Another appreciation goes to the examiner Emy Sudarwati, S.S., M.Pd, thanks for her kindness and willingness to motivate and give the constructive comments during the conduction of this study.

Last but not least, the writer also gives her special thanks for her friends. For the special one Riyan Henu Kurniawan for being the best listener and motivator as well as for his willingness to share some knowledge related to pragmatics. Special thanks is also given to lovely friends Reza Resisca, Devi Inne, Mutmainah, Kurnia Tri, Nur Efendi, Zeal Fachrudin, Yogi Sandy, and Denies.

The writer is really motivated by their encouragements. Finally, this study is expected to be useful for the readers.
