These working women mainly have jobs in farming, Universitfishing, and family-owned businesses. This inequality gender roles which Universi emphasizes women right was shown clearly in *Memoirs of a Geisha*. In the end of the story, Hatsumomo is it as forced to leave the okiya. There is also a precise measure of her success when her University is auctioned off for a price of 10,000 yen, more than Hatsumomo. Sitas Braw Universitas Brawijaya measure of their virginity. This oppression happens after their first performance as Universit Geisha. As commodity, a geisha is forced to get higher income by entertaining sitas guests and hiding away her feeling when they are either in good or bad feeling.
