Universitas Brawijaya Universit Universi the literature are inspired by everyday life. It means that the literary work is asitas Brawijaya rawijaya reflection of life itself. This is in accordance with Sumarjo and Saini (1986, p. 3) University who suggest that the literary work is a form of personal expression of human sitas Brawijaya rawijaya Universit experiences, thoughts, ideas, and spirits by means of a language. rawijaya Sometimes a lot of things are deliberately hidden by the creator in hissitas Brawijaya work from his readers, therefore it needs a deep study to reveal the hidden Universities Brawliaya Universities Brawliaya Universities Brawliaya Universities Brawliaya Braw Universitrelationships between elements in a literary work based on the theoretical sitas Brawijaya approach and the literary work (Aminudin 1995, p.39). Therefore, it can be said that the study of literature is an activity that will involve a certain literary criticism Stas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitand the result of interpretation of certain elements hidden in the literature. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Br One of the study of literature is to find human irony contained in literary Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi works. Zaimar (2002, p.53) says that irony is the event or situation which is in sitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya **Universitas Brawijava** Universitas Brawijaya rawijaya

Irony can be found in daily ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitife. A tax officer, for instance, is supposed to help the country in gathering public sitas funds to create prosperity. Yet some tax officers are willing to receive bribery for Universitheir own sake. This is very ironical because instead of maintaining the law, they it as Brawijaya Universitas Brawijaya University nature of literature as a representation of human life, one can easily find irony in Sitas Universiliterary works. Therefore, literary work is interesting to study to reveal the phenomena in human life. In this case, the writer highlights the human irony which is sometimes delivered by several writers through literary works such as Universi poetry, short stories and novels. One of the literary genres is short story. Short story is a fictional prose narrative that tends to be compact and to the point. Short story, as a kind of Universitiliterary work, can provide benefits to the reader. It can provide experience and Universi pleasure, develop the imagination, develop an understanding of human behavior, and deliver a universal experience; a universal experience that must be related to Universitife and humanity. It can be a problem of marriage, romance, tradition, religion, sitas Brawijaya friendship, social, political, educational, and so on. Therefore, it is not surprising if a reader of short story feels as if he or she is looking at a miniature of human Universitife and feels close to the problems that exist in it. versitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya A short story that is going to be studied in this thesis is Shirley Jackson's Universities Brawlaya Universit The Lottery. It tells about unnamed village in America where people annually sitas Brawijaya gather in a field to find out the winner of a lottery. Tessie Hutchinson, the main

Everyone agrees that lottery is Universitas Brawijaya Universitas Brawijaya Universitas Universi important, but no one seems to know when it began or what its purpose is. As Mr. sitas Summers reads a list of names, the heads of each household come forward to ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya University select a folded slip of paper from an old black wooden box. Bill Hutchinsonsitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya (Tessie's husband) draws the paper with the black mark on it, and everyone begins to speculate that Hutchinson will win the drawing. Tessie takes the black Brawijaya s Brawiiaya Universit Universi paper with the black mark on it, and she says it is not fair. Finally, people pelt hersitas with the stones they have gathered before the drawing as the celebration. The story in The Lottery really astonished the writer because commonlysitas Brawijaya those who win the lottery will get a prize which must be something favorable, but Universi in The Lottery winner gets the stones thrown at her by the people. The writer Brawijaya Universitassumes that this story may have ironical aspects. The curiosity to know deeply University about the meaning of the short story has driven the writer to take Shirley Jackson's Universit *The Lottery* as the object of his thesis. Universities B To uncover the meaning that is found in The Lottery the writer uses Sitas Brawijaya Semiotics theory. According to Sara Ilstedt Hjelm (2002, p.3), semiotics is concerned with everything that can be taken as a sign. Therefore, semiotics Universities amines signs and meanings. Semiotics approach to the short story is considered sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya appropriate because a literary work usually provides particular signs. Each individual can interpret the signs in the story with his or her own point of view. Universi However, to be able to interpret the short story, the writer employs semiotics it as Brawijava Universitas Brawijava Universitas Brawijaya Universitas Brawijaya
