In this film, University Brawijaya rawijaya Universi there are five defense mechanisms that occur when the main character interacts it as Brawijava with certain characters. The defense mechanisms that employed by Greg Heffley **Universitas Brawijay** Universitare denial, rationalization, displacement, sublimation and introjection. Therefore, sitas Brawijaya AWIJA Universi this study will divide the analysis into five parts. Universi 3.1 Greg Heffley's Denial Denial is a defense mechanism that occurs to people who refuse to admit Universit or recognize bad events that happen to them. It is because that bad event make Universi them feel pain and upset. The focus of denial function is blocking external reality sites. Brawilave Denial can be in three forms, they are fantasy, ignoring reality like avoiding the Universitevents, not hearing, and not seeing or avoiding seeing, and negation by usingsitas Brawijaya Universi negative sign word "not". Universitas Brage Heffley's first denial is shown toward Rodrick Heffley, his brother. Universi In this case, Greg Heffley uses negation by using negative sign word "not" to him.Sitas Cramer (2006) states that another component of denial is negation. In this case, people who feels their perception, thoughts, and feeling are disturbed by certain Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Universi threatening, they will add negative sign, the "not". Such as saying a big dogsitas Brawijava becomes "not big", saying "I don't want to hit her" for a wish to inflict injury on Universit someone, and saying "I'm not afraid" for the subjective experience of terror. niversitas Brawijaya Universitas Brawijaya rawijava
