The basic concept of self-actualization is that people tend to be the best that they can be. This phenomenon is also portrayed in Dan Brown's The Lost Symbol. Universitas Br Konsep dasar dari aktualisasi diri adalah bahwa setiap manusia ingin tas Brawijay menjadi yang terbaik. Hal ini dapat dilihat pula dalam novel *The Lost Symbol* karya Dan Brown. *The Lost Symbol* menceritakan tentang seorang karakter bernama Zachary Solomon yang ingin bertransformasi menjadi Tuhan atau biasa disebut dengan apotheosis. Dalam upayanya untuk mewujudkan keinginannya tersebut, Zachary Solomon harus memenuhi kebutuhannya yang berdasarkan pada teori Kebutuhan yang digagas oleh Abraham Maslow, yang dibagi dalam beberapa tingkatan, yaitu: kebutuhan fisiologis, kebutuhan akan rasa aman, kebutuhan akan rasa dicintai dan dimiliki, kebutuhan akan *self-esteem*, serta aktualisasi diri.

Dalam usahanya untuk mencapai apotheosis, Zachary Solomon melakukan berbagai tindakan jika ada seorang yang menurutnya dapat menjadi batu sandungan dalam upayanya untuk mencapai apa yang ia inginkan. Secara psikologis, perilaku yang ditujukan oleh Zachary Solomon mengindikasikan sebuah agresi. Sejalan dengan fenomena yang terjadi tersebut, penulis mengadakan sebuah penelitian mengenai agresi yang dilakukan oleh Zachary Solomon untuk mencapai apotheosis seperti yang dilukiskan dalam *The Lost Symbol*. Penelitian ini akan menggunakan pendekatan psikologi serta menerapkan teori kebutuhan Maslow dan teori agresi sebagai teori yang akan digunakan dalam penelitian.

Psychological approach is an approach which concerns Universitabout human psychic. The assumption that literary works always discuss aboutsitas Brawijaya phenomena which happened in human life is the starting point of psychological Universitapproach (Semi, 1993, p. 76). In The Lost Symbol, Zachary Solomon shows several sites Brawijava Universitas Brawiava actions which indicate his self-actualization and his aggression to achieve the Universitas Brawiava rawijaya Universitapotheosis. Thus, employing psychological approach to understand and to analyzesitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya object further is highly needed. Universitas Brawijaya Universitas Brawijaya Universitas Brasides, it is mentioned that this research deals with someone who is Universimotivated to achieve apotheosis. Zachary Solomon, the character that is discussed it as Brawijava Universities Brawe in this research, knows his own potential. Psychologically, according to Maslow Universit that Zachary Solomon's thought about his potential is classified into self-sitas Brawijaya Universi actualization. The self-actualization itself belongs to one of level or needs in thesitas Br hierarchy of needs theory. It is known that humans are social creatures who live in group Universit of people, thus they need to be acknowledged by others by joining or being a partsitas Brawij of community. Maslow (1970, cited in Feist and Feist 2008, p. 283) identifies two levels it as of esteem needs—reputation and self-esteem. Reputation is the need for status, Universifame, recognition, and others, meanwhile self-esteem is based on more thansitas Br Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Universit independence and freedom. Once people are satisfied with their esteem needs, it is Brawijaya Universite means that they have already stood on the threshold of self-actualization, thesitas highest need recognized by Maslow. However, the esteem levels of each people are different. If someone has high level of self-esteem then it means that they are Universi motivated to pursue the self-actualization needs meanwhile if someone has a lows quality of esteem, then they barely seek for the self-actualization. Here, it can be Universi said that self esteem aims to gain mastery of something while self-actualizationSitaS focuses on someone who wants to develop their selves. rawijava Universit5) Self-Actualization Needs It is already stated previously that when the four levels or needs are already satisfied, there are several people who still feel unsatisfied with what they Universitas Universithave gotten. Maslow (1970, cited in Feist and Feist 2008, p. 284) says: Universitas Brawself-actualization needs include self-fulfillment, the realization of Universitas Brall one's potential, and a desire to become creative in the full sense niversitas Brawijaya Universitas Braofi the word Peoples who have reached sthes level of self-Universit Universitias Bractualization become fully human, satisfying needs that others merely glimpse or never view at all.' a Universitas Brawijaya According to Maslow as it is stated above, it said that the self-actualization need is Universi the realization of people who already realized their potential. It is also be available obstacle in achieving apotheosis. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitare categorized into aggression. Hence, employing aggression theory is highly sitas Brawijaya **Universitas Brawijava** s Brawijaya Universitas Brawijaya Universi needed in analyzing this problem. Aggression Theory Aggression is an act which intends to hurt others. According to Hall (1983, sitas Brawijaya **Universitas Brawi** Universitas Br 2.1.3 Aggression Theory p. 617) states that aggression is "any act intended to cause pain, damage, or Universi suffering to another." Hall (p. 617) also says that to be called as aggressive the act sitas Brawijaya rawijava Universithat is done must be deliberate and directed against someone. Here, it means that sitas Brawijaya an action cannot be categorized as aggression if it does not tend or direct to other Universit people. Moreover, to be called as aggression it actions should harm other people.sitas Brawijaya The agents must believe that their action or behavior must harm the target and the Universitarget is motivated to avoid the agent behavior (Bushman and Anderson, 2001, p. Sitas Brawijaya Vijaya Universitas Brawijaya Universi 28). Hall (p. 617) also explains that there are three categories to explain the high sites. as Brawiay levels of abusive behavior among human beings: biological explanations, social Universit learning explanations, and situational explanations, ersitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Bradio Universitas Bravijaya Universitas Bravijaya Universitas Bravijaya Universi researcher because of biological abnormalities (Hall, 1983). According to Jarvik, et al Universi (1973, as cited in Hall (1983), p. 618) "people who do criminality tend to have sitas forty-seven chromosomes, instead of the normal forty-six." However, according rawijaya Universito the recent research the chromosome abnormality does not influence someone's sitas Brawijaya Universitas Brawijaya Universit caused by the abnormalities in the brain. Mark and Ervin (1970, as cited in Hall as Brawijaya Universit Universit(1983), p. 618) say that someone behavior can be influenced by any kinds of brainsitas damage. However, several researches prove that brain damage does not affect Universit someone's behavior. It is believed that someone's experience in the past may Universi become one of the factors for aggression behavior. **Social-Learning Mechanism** According to the explanation above it is stated that experience becomes rawijava one of factors behind someone's aggression. Bandura (1976, cited in Hall 1983, p. Universit619) states that most aggressive behavior, such as: pulling a trigger, or shouting sitas Brawijaya Universitverbal insults, need intricate, learned skills. It is also stated that family memberssitas and characters portrayed through television are the most influential model for Universitsomeone to does aggression. In fact, most aggressive children do not havesitas Brawijaya criminally violent parents (Hall, 1983, p. 619). However, according to the research that is done by Mark and Ervin (1970, as cited in Hall (1983), p. 618) Universitas Brawijaya Universi that the past memories of someone might be the reason behind this action. Thus, its it as Brawijaya is possible for someone to does aggression because they have experienced something bad in their past. Moreover, it believed by the researchers that the sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi aggression might happen because of several situations. itas Brawijava Universitas Brawijaya srawijaya rawijava

Universitas Brawijaya **Universitas Brawijava** Universitas Brawijava, Universitas Brawijaya Universitas Brawijaya Universitas Brat is believed that situation that faced by people affect their aggression.sitas Brawijava Sometimes certain situations which are unbearable tend to make people explode in rawijaya Universitanger. Dollard et al (1939, cited in Hall 1983, p. 620) postulate the frustration-sitas Brawijaya Universitas Brawijaya Universitand, conversely, "frustration always leads to some form of aggression'." Here 🐜s Brawijaya 🛛 Universitas Brawijay rawijaya Universit Dollard defines frustration as interference with any goal-directed behavior. It also it as Brawijaya Universitas Brawijaya Universitas be said that frustration as the blockage of goal achievement. However, it as Brawijaya aggression is one of many possible responses to frustration. Hall (p. 621) believes Sitas Brawijaya Universi that uncontrollable stress contributes more for someone's aggression. According to the three categories which explain about the high level of Universitaggression that already discussed above, it can be concluded that there are onlysitas Brawijaya rawijava two types which are suitable to be employed in analyzing the problem. Both Universit social-learning mechanism and situational factors influence Zachary Solomon to Sitas Brawijaya Universit does aggression toward people whom he thinks might hamper his apotheosis.sitas Brawijava Meanwhile, the biological factor is not suitable to be employed because this factor Universit doe not appear in the novel. Although Zachary Solomon ever fallen from ravinesitas Brawijaya wijaya Universitas Brawijaya which it may cause damage in his brain, but in The Lost Symbol there is no further information about it which means that it cannot be analyzed. Universitas Brawijaya Universitas B Conclusion The Lost Symbol is bestseller novel written by Dan Brown which issitas Brawijaya published in 2009, it tells about Zachary Solomon, a man who wants to transform Universi into a status like God called as apotheosis. In the psychological field the waysitas Brawijaya UniversitZachary Solomon to become the best that he can be is categorized as self-sitas Brawijaya actualization. In order to achieve what he wants, Zachary Solomon needs to fulfill Universithe basic needs as formulated by Maslow in his hierarchy of needs theory.sitas Brawijaya However, sometimes Zachary Solomon has to deal with people whom he thinks Universit will hamper his transformation into status of God. Universitas Braccording to the findings and discussion of the study, it can be said that Universities Brawijay the aggression which are done by Zachary Solomon are quite extreme. This is rawijaya Universit because most of his actions end with the death of people whom he thinks might sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi hamper his aim in achieving apotheosis. However, psychologically aggression is a sites Brawijava normal way done by someone if that person wants to attain something as their rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitgoal. People do aggression because they think their goal would fail because of sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas In The Lost Symbol, the reason behind Zachary Solomon's aggression Universitas Brawijaya srawijaya

srawijaya

Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijava Universitas Brawijaya is the situational factor that he faces. Zachary Solomon needs to end some Universi people's lives because he does not want his identity and his intention to be known sitas by others, because once people know who he truly is then it will be the end of his rawijaya Universidream. Moreover, his aggression is also done because there is a provocation sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitwhich causes Zachary Solomon gets angry. So, his anger is tended to them who sitas Brawijaya Universitary to provoke him. Furthermore, Zachary Solomon's aggression is also done litas Brawijaya Universit because of his disappointment toward his community, in this case is Freemasonry, sitas which does not give him any information regarding to the secret of the pyramid Universit which is believed that it has a great power and keeps an ancient wisdom which sit Universi able to transform human into status of God. Besides, Zachary Solomon does not sit agree with the research that is done by Katherine Solomon called as a Noetic Universitscience. According to Zachary Solomon, the result of her research will unveil thesitas rawijava secret of human mind which is very contradictive with his idea. Thus, Zachary Universit Solomon needs to destroy her inventions before the moment of his transformation Sitas Brawijaya Universitinto status of God. **Universitas B** Besides, the situational factors as it is already stated above, the social-Universitiearning/mechanism also takes a very important role in Zachary Solomon'ssitas Brawijaya aggression. In The Lost Symbol, it is known that he has a bad memory about his father, Peter Solomon, who shot him when he visits Peter Solomon's house in Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi Potomac which makes him falls to ravine and it leaves scars in entire of his body.sitas Brawijaya Besides, Zachary Solomon feels very disappointed toward his father who dose not Universitiset him free from the Soganlik prison although the guard of the prison offered sitas Brawijaya Universitas Brawijaya **Universitas Brawijava** Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya srawijaya rawijava

Thus bad memories of Zachary Solomon which happened in the past make rawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universithim do several aggressions toward others, especially toward his family members, rsitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brathe Lost Symbol is a very great phenomenon because it is one of the best sitas Brawijava rawijaya selling novels worldwide. However, the research about the material object, *The* rawijaya rawijaya rawijaya Universi Lost Symbol, is still rare. Hereby it is suggested to do a research about The Lost sitas Brawijaya Universi Symbol, especially another psychological problem which is faced by Zachary sitas Brawijava rawijaya Universitas Brown in The Lost Symbol because the character of Zachary Solomon shows his rawijaya rawijaya Universit desire in achieving the apotheosis.
