Supervisor: Henny Indarwaty; Co-supervisor: Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universit Keywords: Brokeback Mountain, Judith Butler's Queer theory, Homosexuality, sitas Brawijava rawijaya Universit Performativity, Gender Judith Butler proposed a new perspective in the queer theory which says that sex is already gendered, and from the statement itself it can be said that both of the category is actually a social constructed category. From Butler's theory also it can be said if someone gender is a fluid substance which can be understood that the identity proposed by Butler can suit in every place to adjust with the conditions. The researcher conduct a research on gender fluid in "Brokeback Mountain" short story where Ennis del Marr shows the gender fluid The aims of this research are to analyze and explain the meaning of the Brawijaya message inside the short story. This research is analyzed by using the qualitative Sitas Brawijaya research design that the data are collected from the short story to be analyzed. The Sitas Brawijaya University data are analyzed with Judith Butler's queer theory. Since the problems that Sitas Brawijaya appears deal with the confusion and the trouble of the gender, Judith Butler'ssitas Brawijaya queer theory is used in this research. Therefore, from Butler's statement it helps to sites understand the character's identity and inner conflict which shifting since it is rawijaya violate the values in the society. Universities B The result of the study shows that gender as an unstable identity appears as the effect of the social construction. Someone's identity also recognized with following some steps that will help the identity to be understood. The steps which appear are: gender is unstable identity, gender is performative, and there is no identity behind the expression of the gender. The gender identity also appears as the effect of the social judgment that will reconstruct the gender itself. The old western lifestyles are adapted in the literary work since the middle of Universithe 19th century. In literature, old western life is portrayed from the frontier as ansitas idealized clash pitting virtuous cowboys, the life of the shepherd, and living in the ranch. Besides, old western life within a short story commonly shows masculinity versi of the cowboys. It is rare to find the old western life story that contains the romance since it may only focused on the action of the cowboy's life. Romance is Universitusually limited on female and male relationships. Therefore, it might be hard to sit as find short stories about gay or bisexual relationship within old-themed western University short stories. Universitas However, there is one short story that reveals the old western social phenomenon of romance between the same genders. Taking a look at the condition of the USA in 80s and 90s, when the story takes place, gay people were still rejected by the society because most people at Universithat time thought that the LGBTQ (lesbians, gay, bisexuals, transgender and queer) itas practice was "evil" as stated by (Clews, 2012), "...And, unsurprisingly, the Universit Catholic Church continued it's attack on gays. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya As stated by Lois Tyson (2006), queer theory defines individual sexuality as University a fluid, fragmented, dynamic collectivity of possible sexualities. In other words, ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitevery individual may have different sexualities in different times because sexuality is a dynamic range of desire. It is in line with statements that identity is Universiffree floating, not permanent or stable. Vijaya Universitas Brawijaya Universit characteristics. However, identity is not merely about present, but it is also Universit oriented in the future (Weeks, 1986). In other word, identity is not something that we have "done", but it is a continuum process that we are "doing". In the context Universities theory, this part can be categorized as anti-identity. In line with identity being socially constructed and having historical characteristic, sexuality is also a social construction, in which sexuality is the Universitinvention of the human mind. Sexuality is not a natural thing already known bysitas the society as biological and predetermined from the genitalia of a person. It is a social product and permanent convention based on historical values. According to Sitas Brawijaya Foucault (1970 cited in Spargo 2000, p 12) sexuality is not a natural feature or fact of human life but a Universitas Brawijaya Br constructed category of experience which has historical, social and Iniversitas Brawijaya Universitas Braultural rather than biological, origins. ... Sexuality seems, like niversitas Brawii Universitas Br gender, to be simply there, but also to be somehow special, iniverpersonal, a matter of our 'innermost desires' – who we want, what we want, how we want. It's something inside us, a property, our property. Universi From the statement above, Foucault supports the statement that sexuality is it as socially constructed and has a historical value. In addition, this statement also supports the rise of the queer theory to the society. Versitas Brawijaya

Universitas Brawijaya Universitas Brawijaya One of the figures that make the queer theory popular is Judith Butler. She starts with her statement that "gender ought not to be constructed as a stable ersitas Brawijaya – Universitas Brawijaya Universitas Brawijaya Universi Universi identity or locus of agency from which various acts follow. Rather, gender is an identity tenuously constituted in time, instituted in an exterior space trough a stylized repetition of acts" (Butler, 1990, p.179). It means that gender is not a size B as Brawijaya Universitas Brawijaya Universit adjust with our action. As the product of the repetition act, the gender itself should be understood that the bodily movement, gesture and styles of various kinds that every person do actually is a constitute illusion of mirroring their gender. According to Butler, queer theory offers an oppositional statement with the heterosexual gender identification. Butler's theory opposes the existence term of gender (masculine/feminine) and sex (male/female) introduced by Simone de Versi Beauvoir. Beauvoir (cited in Storey, 2011, p.160) states that the distinction establishes analytical differences between biological sex (nature) and gender culture). Biological sex is related to genital owned by every person biologically while gender (culture) is defined as something in relation to culture or society. For instance, in terms of behavior or personality male should act more masculine, and Universitougher than female does. However in contrast Butler stated that sex is alreadysitas gendered. In her book Gender Trouble (1990), she stated that there is seemingly no border that can divide gender and sex. Universitas Brawijava Universitas Brawijava registas Brawithere is no reason to divide up human body into males and ive females sexes except that such a division suits the economic needs of heterosexuality and lends a naturalistic gloss to the institution of heterosexuality. Hence, for Wittig, there is no distinction between sex and gender; the category of "sex" is itself a *gendered* category, Universitias Brifully politically invested, naturalized but not to natural. a wijaya Universitas Brawijaya Universitas Brawijaya

**Universitas Brawijaya** Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya gender itself, gender and sex are both cultural categories. And this statement is rsitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universit Universi supported with Storey (2011) statement, biology is itself always already culturally gendered as 'male' and 'female', and, as such, already guarantees a particular as Brawijaya Universitas Brawijaya Universitas Brawijaya Universityersion of the feminine and the masculine. a Universitas Brawijaya rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Furthermore, Butler argues that dividing the sexes into two categories of Universit male and female (binary of sex) suits for the economics needs of heterosexuality University and lends a natural status need by the institution of the heterosexuality. The binary itself is a product and established by the "prediscursive" or it is produced by the culture before as a legacy. Butler also contends to support the opinion that the Universi gender itself is constructed in culture. This thought is explained in extent by Wittig who perceives that "one is not born a woman, one becomes one; but Universi further, one is not born a female, one becomes female; but even more radically one can if one chooses, become neither female nor male, woman nor man" (Wittig, Although a lot of people think that gender is an expression of the biological which means that a person who officially claims to be male and has male Universit genitalia should act like a male does, or when the person claims to be a woman the person should acts like a woman. However, Butler strongly argues that gender does not work that way. Gender is an accumulation of what someone does that rsitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi people can see clearly from the outside, in which one expresses the inner belief of sitas the person itself. Gender is "the repeated stylization of the body, a set of repeated acts within highly rigid regulatory frame that congeal over time to produce the appearance of the substance, of a natural sort of being" (Butler, 1999, p. 43-44) Universitas Brawijaya Universitas Brawijaya

Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya **Universitas Brawijaya** Universitas Brawijava In addition, gender is not consisting of 2 categories feminine and masculine. Universit Those two categories are not considered natural (Storey, 2011). Both femininity ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Universitand masculinity are cultural performances which with their naturalness and troughsitas sitas Brawijaya Universitas Brawijaya Universityatural, the original, and inevitable awijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya as Brawijaya Universitas P 2.1.1.1 Performativity Universitas BAs stated by Butler that we cannot separate between gender and sex in asitas Brawijaya **Universitas Brawija** different constitution. Everyone has been gendered from the beginning of their social existence and actually these two run at the same level. In other words there Universitis no "natural body" that pre-exist its natural inscription. The word "performativity" used by Butler comes from the category of languages divided by Austin (1962), that language is divided into two categories, SI ers constative and performative languages. Constative language is a descriptive language for example: the sky is blue. The second category of language is University performative language. This language more likely to bring something into being sitas Brawijaya for instance: the first performatitive statement in our life of the new born "it is a Universition or "it is a girl". Gender itself works as the performatitive language in which sitas Brawijaya gender brings someone into being just like the statement "it is a boy" spoken by appropriate person will transform the new born babies into a boy. Universitias B The opinion that gender works as performatitive language is also supported sit as Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas by Butler that "there is no identity behind the expression of gender; that identity is performatively constituted by the very "expressions" that are said to be its results" Universitas Brawijava Universitas Brawijava Universi (Butler, 1999 p.33). Nothing precedes the constituency of the gender, even thesitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya

Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya identity. Identity itself is shown by the expression performed by the doer and said University other person as the gender itself. University Universit Universitas Brawijaya – Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas B Gender is not the expression of biological sex that one has, just like most of the people think in the way of when someone have penis they should act Universi masculine and someone who have vagina they should act feminine. Gender cannot sit as Brawijaya Universitas Brawijaya Universitas Brawijaya be described in that way. Gender is preformatively constructed in the culture. gender is the repeated stylization of the body, a set of repeated acts within a highly rigid regulatory frame that congeal over time to produce the appearance of substance, of a natural sort of being. Aniver political genealogy of gender ontologies, if it is successful, will deconstruct the substantive appearance of gender into its constitutive acts ad locate and account for those act within the compulsory frames set by the various forces that police the social appearance of gender, (Butler. 1999 p.43-44) The quotation above tells that gender is a set of repeated acts within highly Universi regulatory frame. Even though it says that the "performatitive" is a repeated act, sitas people should not feel confused it with the performance understood by playing University acting. The gender that people do in performative is intact with the fundamental of sites. the identity that appears. It is not voluntarily practices it is a continual process 2.1.2 Gay Life in the Early 60-90s Universities In the early 1960's the existence of the gay people remain illegal and all of the activity of the gay people faced extreme opposition from the society at that Universitime the existence of the homosexuality was looked up very differently than sitas Brawijaya nowadays. In the some part of USA the existence of homosexual person as a minority they did not get any support from the society. The existence of the Universitas Brawijava Universitas Brawijava Universi homosexual person in the 1960's which actually the same as the time setting of sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya

Universitas Brawijaya Universitas Brawijaya Brokeback Mountain short story, also shows if there are a lot of rejection toward ersithe homosexual person from the society aya Universitas Brawijaya Production in employment probably ranked as the most threatening type of persecution gay people faced and still facesecond only to physical assault in its violence but affecting far more people. Eisenhower's executive order stood from 1953 until 1993. There has never been any employment protection for gay people as well as there is now for straight white women, straight men, and women who belong to racial and ethnic minorities. Employers routinely refuse to hire gay people regardless of their qualifications and fire any who manage to be hired while closeted. (Ford, 2013) At that time, there is no sexual equality among the society, as shown by the quotation abov, that the homosexual person at that era is being marginalized. Not only being marginalized, they even being harassed physically by the society, and also rejected by the society by refusing of their existence in their work. Furthermore, as the existence of the gay person are refused by the society by erst rejecting their appearances in their work place, at that time some governmental sides also rejected the existences of homosexual person. Most of the people who Universitare recognized as gay or homosexual person at that time are treated differently straightful as a second of the contraction of the contrac than the other homosexual persons in San Francisco, Los Angeles, and New York Those three cities actually are the places where the existence of homosexual Universi person are more free than in the places which shown in the setting of *Brokeback* sites Mountain short story. Universities In Wyoming USA, as the place setting of Brokeback Mountain short story, Universitas Brawijaya Universitas Brawijaya ers the existence of the homosexual person at that time still cannot be detected, most stass of the homosexual people at that time still live in their cupboard. Moreover, from the rejection which sites deal with his desire it is also a form of Ennis del Marr's inner conflict for deciding in which way he should follows. In December Ennis married Alma Beers and had her pregnant by mid-January. He was still working there in September when Alma Jr., as he called his daughter, was born and their bedroom was liversitias full of smell of old blood and milk and baby shit... The development of the identity which appears in Universi Ennis' life it is leads by some kind of practices which shows if he is heterosexual. From his marriage with Almasitas Brawijay Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Bı he has two daughters and he raises them together. As a heterosexual person who Universit does not have a interest feeling toward same sex, Ennis del Marr also implicitly Universi shows if he does not interested when he meets with Jack Twist at the bar right after he meet at the foreman's office. Not only that in the beginning of their work when Both of Ennis and Jack have a conversation, it is shown if Ennis del Marr is the listener one, he does not show his emotion or he does not have any intention do the things like what Jack already did. Ennis del Marr's gender also changes trough the condition which can be started seen in some casual day which Ennis and Jack spent for their work in the Universit Brokeback Mountain. During the day Ennis looked across a great gulf and sometime saw Jack, a small dot moving across a high meadow as an insect moves across a tablecloth; Jack in his dark camp, saw Ennis as night fire, a red spark on the huge black mass of mountain (Proulx, 1997, p.4) Since the condition changing which appears in the Ennis del Marr's life, actually it is also become a trigger for Ennis' change his sexual identity become homosexual person. Ennis riding against the wind back to the sheep in the treacherous, drunken light, thought Br he'd never had such a good time, felt he could paw the white out of iversit Universitas Brathe moon (Proulx, 1997, p.6) The quotation above, shows that Ennis actually agree with the opinion that he and Jack Twist enjoy their partnership. Ennis also shows his emotion from the last line Universi in the quotation above he never felt those good time with a male person so it is become the first time in his life he could enjoy his time with male person, whose Universitin this short story the male person itself is Jack Twist. Furthermore, since their work in the Brokeback Mountain happens for a Universitiong period, Ennis del Marr and Jack Twist's relationship as a work partner Universi changes and gets much closer than before. Their habit when they are together in the camp site while they are pasturing the sheep also help them to build their Universi relationship become more close than before. (Proulx, 1997, pp.6-7)From the quotation it is so obvious that the changing of the Ennis del Marr's identity happens from his performative expressions which can be seen from the University beginning of their meetings. Furthermore, as already mentioned before that Sitas Brawijaya gender is a performative action in which can be understood as a repetitive act and a second s which happens continuously, the changing of the gender which shown by the Universitas Brawijava Universitas Brawijava University quotation above is not only happens once only as appears in the quotation. (Proulx, 1997 p.16) UniversitAs a repetitive act which deals by Ennis del Marr in the Brokeback Mountain short story, it shows if his repetition of doing the homosexual practice will lead him to change his identity to be a homosexual person. As the experiences which they had from the society's treatment toward the homosexual person actually it is a trigger which influenced them to change their point of view toward homosexual person in the general as in this quotation below. In the short story he is sitas recognised by his neighbourhood and also by his own father because in the last visits to his own home, he always say to his father if he wants to bring Ennis del UniversitMarr to their house and will build their ranch together. The huge sadness of the northern plains rolled down on him. He didn't know which way it was, the tire iron or a real accident, blood choking down Jack's throat and nobody turn him over. Under the wind drone he heard steel slamming off bone, the hollow chatter of a settling tire rim. Versitas (Proulx, 1997, p.23) From the quotation above, Jack has been told that he is dead because of his University car accident, and he is dead because of tire iron slammed into his face. However, sitas Brawijaya the real death accident faced by Jack Twist is not that way, since Ennis also has some experiences which deal with the tire iron accident in his past. Ennis finally Brawijaya know that Jack twist car accident is not the real reason of Jack Twist death but his death happens in the same "tire iron" terms used in the accident of Earl and Rich University embellishment. Ennis realizes that Jack is being killed by the neighbour who hates Brawijaya the existence of homosexual. Both of Ennis and Jack have already done the sexual practices, but they ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas B ers deny their identity as a homosexual person. The rejection which comes from themsitas actually has supported by the society views about gay person. Ennis del Marr and Isolack Twist also believe that both of them are invisible. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijava Universitas Brawijaya Universitas Bin the 60's era the existence of the homosexual person believe as Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi unacceptable and for some homosexual person lives in that era is also a hardsitas challenge that they should faced. The way of the homosexual person who lives in Universithe era of rejection actually shows some certain way which deals with developing it as Brawijay Universitas Brawijaya Universities B As already stated in the previous chapter that this research is analyzed by Universitusing queer theory which introduced by Judith Butler, this research is directed to site the process which experienced by Ennis del Marr as he try to find out his fluid gender, such as gender as an unstable matter, the performativity of the gender, ers there is no identity behind the expression of the gender, the condition of the gay society in 60's era and also the effect of being a homosexual at the 60's era. Within the analysis already stated above, it can be concluded that gender as an unstable identity appears as the effect of the construction within Ennis del Marr Universitidentity. His identity as a heterosexual person becomes unstable because his sitas Universitidentity changes into a homosexual person after he met with Jack Twist and changes again when they were apart. The changing of the gender which happens Universitin the Ennis del Marr, actually is the way used by Ennis for shifting his sexualsitas Bra wijaya Universitas identity. Besides, the shifting is also shown by his performative act in his life. The performative act is a result of the set of actions which happen in a continuous way, sitas Brawijaya Universitas Brawijaya Universitas Brawijaya University and it is not something which remains as something is done. Ennis del Marraitas performative act can be recognized as a homosexual person, because he does the continuous act of the homosexual traits that will lead him become a homosexual Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitcharacter.ijava Universitas Brawijaya Universitas Brawijaya

Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas B Gender in queer theory also appears as a substance which cannot be Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Universi recognized by identifying the identity which appears from the outer appearance of sitas Brawijava the character. Ennis del Marr appearances as a homosexual person, essentially still rawijaya Universi remain in the form of heterosexual person. He is identified through the appearance sitals Brawijay Universitas Brawijaya Universitable appearance which is commonly understood by society if gay or homosexual Brawijaya Universit person who tends to use tight and pink color clothes. So, it can be understood that sit as dersit as Braw if there is no identity behind the expression of the gender. The condition of society in the 60's era surely shows if the existences of the homosexual person or Universities Universities in large LGBTQ group in that time are rejected, and in some cases it comes to the sites death penalty as the law for LGBTQ society because they thought if LGBTQ University people are sinful. Therefore, the result of the society judgment toward these people makes the Universita Universitioner conflict which happens within Ennis del Marr's life. The inner conflict sitas Brawijaya University which can be seen in the Ennis' life actually in the form of the choices that he it as should choose between following heteronormative values by letting Jack Twist go University and become a heterosexual, or he stays as a homosexual person and stays with sitas Brawijaya Jack Twist as a couple. In contrast, after Jack Twist left him, Ennis does not engage in the heteronormative practices by attaching to his oppositional sex, but Universitas Brawijava Universitas Brawijava Universithe rather keeps missing the existence of Jack Twistersitas Brawijaya Universitas Brawijaya
