

ACKNOWLEDGEMENTS

First of all, I would like to present the grateful to Allah SWT for the blessing to accomplish this thesis successfully. Futhermore, the writer would like to express his deepest gratitude to his supervisor, Melania Shinta Harendika, M.A. and Fredy Nugroho Setiawan, M.Hum, as his supervisor, and examiner, Henny Indarwaty, M. A., because the researching and writing process of his thesis would not have been possible without those great lecturers. They guided from the beginning and supported the writer to the accomplishment. Without their patience and kind assistance and their great big forgiving heart, this writer would be difficult in accomplishing this thesis.

Apart from people in academic, the writer expresses his gratitude to his parents, Mohammad Ridwan and Puji Lestari, for all their tireless support both emotional and financial and prayer so that the writer has spirit to complete his thesis. Also the sweetest thank for the writer's brother, David Noorma I, and sister, Rachma Salsabila Marista P. who have given the writer a spirit and accompany him together body and soul.

At last, the writer would like to thank all of his remarkable friends in Study Program of English who cannot be mentioned one by one.
