The writer portrays the image of Iraq through the attitude of thesitas Brawijaya Westerners towards the Easterners. For addition, this chapter also gives Universitian Branch and the further researcher who wants to conduct a similar research with UN1 Universitthis study. **Universi** 4.1 Conclusions This present study is aimed to nearth the ways in which westerners, represent Sitas Brawijaya rawijaya Universition-western culture in the movie American Sniper. After conducting the studysitas Brawijava and analyzing the findings, it is discovered that the westerners represents Iraq Universitculture in such ways that comfirms Orientalist's stereotyping. The stereotyping issitas Brawijaya evident in the narrative through characters' attitudes, the different setting, and the Universi Iraqi culture. Universitas American Sniper demonstrates the stereotypes of the Orient in four mainsitas Brawijaya aspects. Firstly, the Orient is timelessness. From the viewpoints of the Westerners, Universit time in the Eastern land is regarded as standstill and perpetual. Nothing is really sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya changed even a long time has passed. American Sniper illustrates the aspect of timelessness through the the Al-Qaeda and the leader known as Butcher. To illustrate, the Butcher use drill to kill people and mutilated ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi bodies of victims. Alsitas Br Qaeda members' and the Butcher's physical appearance are revealed as the Universitstereotypical image of Terrorist. The Westerners believe that the Iraq people aresitas dangerous, hated freedom, uncivilized and was a threat to them. In addition, the writer mentions another timelessness happen through the role of women in the Universi movie, in discussions of general issues facing women in Iraq, the diversity of female and conditions is often lost. Accustomed the stereotypical depictions. Universit westerners are told that Iraq women are passive, weak and always veiled. Secondly, the Orient is exotic. The Orient is oddly different in the eyes of The Universit Occident. In Iraq, everything looks strange in the eyes of the Westerners, for Universi example, the director depicts how Iraq has a hot and dry climate. While westerners would not tolerate the Iraq climate because in the west the temperature Universitis not as hot as in Iraq. Another example is Iraqi people having a strange eatingsitas Braw habit such as eating goats. Thirdly, the Orient degenerates. American Sniper movie illustrates the aspect Universitas Brawijaya Universitas Brawijaya sitas Brawijava Universit of degenerate through the woman and the young boy atittude. The woman handsit as the grenade off to the young boy. Westerners thought what Iraq people means about jihad is an order to kill every non-Muslim. Besides, the image of young boy Universit who will try to pick up the grenade launcher portrayed negative idea. Westerners Universitas Brawijaya Universitas Brawijaya **Universitas Brawijava**

It can be implied that the Orient fits in all kinds of negativesitas sitas Brawijava Universitas Brawijaya Universitas Brawijaya Universitas Br ideas in the Westerners' point of view. sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Universitian Lastly, Orientalism constructs binary oppositions. Which refers to the Orientsitian Brawliay Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Universitas everything that the Occident is not. Firstly, it is the binary opposition of the sitas colonizer versus the colonized that it is related to the concept of Colonialism. as Brawiiava Universit UniversitAmerica is regarded as the colonizers whereas Iraq is regarded as the Eastern landsitas that is a place to be colonized. America wants to carry out the mission to take advantages of the resources which is petroleum wealth. However, when the colonizers get what they want, they eventually leave the colonized place. The second binary opposition is between the educated and the ignorant, or foreigners Universitand Iraq people. The movie portrays the old man who considered ignorant and uneducated whereas the Western people are portrayed as knowledgeable and Universit learned. The old man does not know nor understand even simple English and hesitas Universi has poor English communication skill. The lesson learned from this movie is there's been a lot of controvers Universitsurrounding the American Sniper movie, it's portrayal of war and how accuratesitas Braw the story being told is. American sniper feeds America's hero complex and it isn't the truth about war. Real life is not like the movies but the Hollywood keeps rsitas Brawijava Universitas Brawijava Universitas Brawijava Universi trying to make us believe that elite commandos can do anything and save anyonesitas all the time. This movie has the potential to distort how the United States views its own history and troops. Therefore, U.S wants to be recognized by the world as a Universitas Brawijaya Universitas Brawijaya Universi country that has power and strength.
