American Sniper movie illustrates the aspect of the Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya degenerate through the woman and the young boy atittude. Westerners thought what Iraq people means about jihad is an order to kill every non-Muslim. Another great misconception that exists is the Universitruth about jihad or "holy war" in Islam. The ideas of war and violence have become related to the Islamic religion from the movie. Jihad is so often apparent ersi in this movie because the westerners think it is Islam's justification for war and Universityiolence. The West has given a negative image on Islam. This movie becomes a Universi common image to the general public that all Muslim are terrorists. As written bysitas Edward Said in his book, Covering Islam (1981, p.3) talks about how the media and experts determine how we see the rest of the world. "The term Islam as it is" used today seems to mean one simple thing, but in fact is part fiction, part ideological label, part minimal designation of a religion called Islam. Today Islam Universitis peculiary traumatic news in the West. During the past few years, especially it as since events in Iran and Iraq caught European and American attention so strongly, the media have therefore covered Islam: they have portrayed it, characterized it, Universi analyzed it, given instant courses on it, and consequently they have made its it as known." The narrative sets up the war as a moralty play: there are evil terrorist, and Chris Kyle needs to kill them. It's as simple as that. as Brawijaya Another degenerating scene is when Kyle faces with an unexpected situation University a grenade launcher. Kyle kills the man. Universitas Brawijaya Universitas Brawijaya rawijaya Universitas Brawijaya **Universitas Brawijaya** Universitas Brawijaya Universitas Brawijaya Universitas Firstly, the movie represents the binary oppositions of the colonizer versus Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universithe colonized. In American Sniper, America is regarded as the Westerners who are sit as Brawijava rawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya the colonizer whereas Iraq is regarded as the Eastern land that is a place to be Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya rawijaya Universicolonized. This sanitization of Western history and patronization and itas Brawijay Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya rawijaya demonization of the non-West, and specifically Iraq, was extremely prevalent Universithroughout the entire film. It paints a very black and white depiction of the Iraq Sitas Brawijaya UniversitWar; an "us" versus "them", "good" versus "evil" binary. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijava Universitas Brawijava Universitas Brawijaya Universitas The scene is right before Chris Kyle deploys for his first tour, it implies that Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Universithe Iraq war was a deliberate response to 9/11; many individuals who are educated sit as on current events know that the attack on 9/11 didn't have anything to do with rawijaya Universi Iraq. In fact, many would argue that the U.S went to Iraq based on the lie of Sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Saddam Hussein developing weapons of mass destruction, something later University exposed to be completely false. The war, in other words, was not actually about University 9/11. And, crucially, the Iraqi weapons of mass destruction that were the basis of the war turned out not to exist. The movie's exclusion of the United States' faults Universit with its involvement in Iraq makes it seem as if the suffering of the Iraqi people is University justified and a necessary means to protect those in the United States. A point made clear in American Sniper movie was the "danger and evil" that awaited those who Universitient to Iraq.
