In some sitas Brawijaya processes of Amon's life there are several things that can be analyzed using Brawijaya Universitexistentialism concept. Universit3.1.1 Amon's essence of life Universitas B. In this movie Amon is a leader of Equalist, an organization which oppose Brawijaya Universities presence of the benders, but behind that Amon also a water bender. Universit After Amon fight againts his father, he ask his brother to come with him, but his Universit brother refuse to come, and Amon run away from the village. 'awijaya The writer analyze the story of Amon using existentialism. In the concept Universit of Existentialism it is believed that human being born free. According to spade Universi (1995, p81) In "Existentialism Is A Humanism," Sartre argued that for humanbeings — that is, for the for-itself — "existence precedes essence." That is, consciousness has no definition or "essence" given to it in advance. On the contrary, "Man makes himself" — he defines himself only in the process of living. Consciousness is free, not confined to the limits of a definition or nature. Quotation above means that the existence of a human being is born first and then just started looking for the essence of their life, because in the process of the Universi human life can form a personality or character mindset, and humans established themselves in the process of their life to find the essence of their lives. From story above we know that young Amon have a harmony family, he born like the other Universitas Brawijava Universitas Brawijava University kids who have beautifull life, until Yakone know about Amon and his brothers has Brawijaya power, then make these two kids become a tools for revenge.
