## APPENDIX 2: Lyrics of Adele's Songs in 25 Album

### Hello lyrics

Hello, it's me, I was wondering  
If after all these years you'd like to  
meet to go over everything  
They say that time's supposed to  
heal, yeah  
But I ain't done much healing

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry, for everything  
that I've done  
But when I call you never seem to be  
home

Hello, can you hear me?  
I'm in California dreaming about  
who we used to be  
When we were younger and free  
I've forgotten how it felt before the  
world fell at our feet

Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry, for breaking  
your heart  
But it don't matter, it clearly doesn't  
tear you apart anymore

There's such a difference between us  
And a million miles

Hello, how are you?  
It's so typical of me to talk about  
myself, I'm sorry  
I hope that you're well  
Did you ever make it out of that town  
where nothing ever happened? It's no  
secret

That the both of us are running out of  
time

So hello from the other side

I must've called a thousand times  
To tell you I'm sorry, for everything  
that I've done

But when I call you never seem to be  
home

Hello from the outside

At least I can say that I've tried  
To tell you I'm sorry, for breaking  
your heart  
But it don't matter, it clearly doesn't  
tear you apart anymore

Ooh, anymore

Ooh, anymore

Ooh, anymore

Anymore...Hello from the other side

I must've called a thousand times  
To tell you I'm sorry, for everything

that I've done

But when I call you never seem to be  
home

Hello from the outside

At least I can say that I've tried  
To tell you I'm sorry, for breaking

your heart

But it don't matter, it clearly doesn't  
tear you apart anymore

### **Send My Love lyrics**

[Adele]

(Just the guitar pick...)

This was all you

None of it me

You put your hands all over my body  
and told me

You told me you were ready

For the big one

For the big jump

I be your last love everlating you and  
me

That was what you told me

I'm giving you up

I've forgiven it all

(You set me free, ohhhhh)

Send my love to your new lover

Treat her better

We gotta let go of all of our ghosts

We both know we ain't kids no more

Send my love to your new lover

Treat her better

We gotta let go of all of our ghosts

We both know we ain't kids no more

I was too strong you were trembling

You couldn't handle the hot heat

rising

Rising...Baby I'm so rising

**I was running, you were walking**

You couldn't keep up, you were  
falling down

Down...

Mmm there's only one way down

I'm giving you up

I've forgiven it all

You set me free, ohhhh

Send my love to your new lover

Treat her better

We gotta let go of all of our ghosts

We both know we ain't kids no more

Send my love to your new lover

Treat her better

We gotta let go of all of our ghosts

We both know we ain't kids no

moreIf you're ready, if you're ready

If you're ready, I am ready

If you're ready, if you're ready

We both know we ain't kids no more

No, we ain't kids no more

I'm giving you up

I've forgiven it all

You set me free, ohhhh

Send my love to your new lover

Treat her better

We gotta let go of all of our ghosts

We both know we ain't kids no more

Send my love to your new lover

Treat her better

We gotta let go of all of our ghosts

We both know we ain't kids no more

If you're ready, if you're ready

(Send my love to your new lover)

If you're ready, are you ready?

Treat her better...

We've gotta let go of all of our  
ghosts

We both know we ain't kids no more

If you're ready, if you're ready

(Send my love to your new lover)

If you're ready, are you ready?

Treat her better...

We've gotta let go of all of our  
ghosts

We both know we ain't kids no more

### **I Miss You lyrics**

[Adele]

I want every single piece of you

I want your heaven and your ocean's  
too!

Treat me soft but touch me cruel

I want to teach you things you never  
knew

Bring the floor up to my knees

Let me fall into your gravity

And kiss me back to life to see

Your body standing over me

Baby don't let the lights go down

Baby don't let the lights go down

Baby don't let the lights go down

Baby don't let the lights go down

Lights go down, lights go down

Lights go down, lights go down

Lights go down, lights go down

(Down, down, down, down)

I miss youuuu when the lights go out

It illuminates all of my doubts

Pull me in, hold me tight

Don't let go, baby give me light

I miss you when the lights go out

It illuminates all of my doubts

Pull me in, hold me tight

Don't let go, baby give me light

I love the way your body moves

Towards me from across the room

Brushing past my every groove

No one has me like you do

In your heart I bring my soul

But be delicate with my ego

I wanna step into your great

unknown

With you and me setting the tone

Baby don't let the lights go down

Baby don't let the lights go down

Baby don't let the lights go down

Baby don't let the lights go down

Lights go down, lights go down

Lights go down, lights go down

Lights go down, lights go down

Down, down, down, down

I miss you when the lights go out

It illuminates all of my doubts

Pull me in, hold me tight

Don't let go, baby give me light

I miss you when the lights go out

It illuminates all of my doubts

Pull me in, hold me tight

Don't let go, baby give me light

We place all love into the dark  
'Cause we are living worlds apart  
It only makes it harder baby  
It only makes it harder baby  
Harder baby, harder baby

I miss you when the lights go out  
It illuminates all of my doubts  
Pull me in, hold me tight  
Don't let go, baby give me light  
I miss you when the lights go out  
It illuminates all of my doubts  
Pull me in, hold me tight  
Don't let go, baby give me light

I miss you, I miss you...  
I miss you, I miss you...  
I miss you, I miss you...

### **Water Under The Bridge lyrics**

[Adele]

If you're not the one for me  
Then I'll come back  
And bring you to your knees!  
If you're not the one for me  
Why do I hate the idea of being  
free...?

And if I'm not the one for you  
You've gotta stop holding me the  
way you do  
Why if I'm not the one for you?  
Why have we been through what we  
have been through

It's so cold out here in your  
wilderness  
I want you to be my keeper  
But not if you are so reckless

If you're gonna let me down, let me  
down gently

Don't pretend that you don't want me  
Our love ain't water under the bridge  
If you're gonna let me down, let me  
down gently

Don't pretend that you don't want me  
Our love ain't water under the bridge  
(Wo-ah, wo-ah)  
Say that our love ain't water under  
the bridge

See you are water under the bridge  
What are you waiting for?  
You never seem to make it through  
the door

And who are you hiding from?  
It ain't no life to live like you're on  
the run

Have I ever asked for much?  
The only thing that I want is your  
love

If you're gonna let me down, let me

down gently

Don't pretend that you don't want me  
Our love ain't water under the bridge  
If you're gonna let me down, let me  
down gently

Don't pretend that you don't want me  
Our love ain't water under the bridge  
(Wo-ah, wo-ah)  
Say that our love ain't water under  
the bridge

It's so cold in your wilderness  
I want you to be my keeper  
But not if you are so reckless

If you're gonna let me down, let me  
down gently

Don't pretend that you don't want me  
Our love ain't water under the bridge  
If you're gonna let me down, let me  
down gently

Don't pretend that you don't want me  
Our love ain't water under the bridge

Say it ain't so, say it ain't so  
Say it ain't so, say it ain't so  
Say it ain't so, say it ain't so  
Say it ain't so, say it ain't so  
Say that our love ain't water under  
the bridge

Say it ain't so, say it ain't so  
Say it ain't so, say it ain't so  
Say it ain't so, say it ain't so  
Say it ain't so, say it ain't so  
Say that our love ain't water under  
the bridge  
Say that our love ain't water under  
the bridge

### **River Lea lyrics**

[Adele]

Everybody tells me it's about time  
that I moved on  
And I need to learn to lighten up and

learn how to be young!  
But my heart is a valley...  
It's so shallow and man made  
I'm scared to death if I let you in that  
you'll see I'm just a fake  
Sometimes I feel lonely in the arms  
of your touch  
But I know that's just me cause  
nothing ever is enough

When I was a child I grew up by the  
River Lea  
There was something in the water,  
now that something's in me  
Ohhhhh I can't go back, but the reeds  
are growing out of my fingertips  
I can't go back to the river

But it's in my roots, it's in my veins  
It's in my blood  
And I stain every heart that I use to  
heal the pain  
It's in my roots

It's in my veins  
It's in my blood and I stain every  
heart that I use to heal the pain  
  
So I blame it on the River Lea  
The River Lea, the River Lea  
Yeah I blame it on the River Lea  
The River Lea, the River Lea  
So I blame it on the River Lea  
The River Lea, the River Lea  
Yeah I blame it on the River Lea  
The River Lea, the River Lea  
  
I should probably tell you now  
before it's way too late  
That I never meant to hurt you or lie  
straight to your face  
Consider this my apology  
I know it's years in advance  
But I'd rather say it now in case I  
never get the chance  
No I can't go back, but the reeds are

growing out of my fingertips  
I can't go back to the river!  
  
But it's in my roots, it's in my veins  
It's in my blood and I stain every  
heart that I use to heal the pain  
It's in my roots, it's in my veins  
It's in my blood and I stain every  
heart that I use to heal the pain  
  
So I blame it on the River Lea  
The River Lea, the River Lea  
Yeah I blame it on the River Lea  
The River Lea, the River Lea  
So I blame it on the River Lea  
The River Lea, the River Lea  
Yeah I blame it on the River Lea  
The River Lea, the River Lea  
  
River Lea, River Lea  
River Lea, River Lea  
River Lea, River Lea  
River Lea, River Lea

The River Lea-Lea-Lea-Lea  
The River Lea-Lea-Lea-Lea  
The River Lea-Lea-Lea-Lea  
The River Lea-Lea-Lea-Lea

### **Love In The Dark lyrics**

[Adele]

Take your eyes off me so I can leave  
I'm far too ashamed to do it with you  
watching me  
This is never ending  
We have been here before  
But I can't stay this time  
'cause I don't love you anymore  
Please stay where you are

Don't come any closer  
Don't try to change my mind  
I'm being cruel to be kind  
  
I can't love you in the dark

It feels like we're oceans apart  
There is so much space between us  
Maybe we're already defeated  
Ahhh yeah yeah yeah  
Yeah yeah yeah everything changing

You have given me something I can't  
live without  
You mustn't underestimate that when  
you are in doubt  
But I don't want to carry on like  
everything is fine  
The longer we ignore it all the more  
that we will fight  
Please don't fall apart  
I can't face your breaking heart  
I'm trying to be brave  
Stop asking me to stay

I can't love you in the dark  
It feels like we're oceans apart  
There is so much space between us  
Maybe we're already defeated

Ahhh yeah yeah yeah  
Yeah yeah yeah everything changing  
We're not the only ones  
I don't regret a thing  
Every word I've said  
You know I'll always mean  
It is the world to me  
That you are in my life  
But I want to live  
And not just survive  
That's why I can't love you in the  
dark  
It feels like we're oceans apart  
There is so much space between us  
Maybe we're already defeated  
Ah-yeah-yeah-yeah-yeah-yeah  
everything changed me  
I-I-I-I don't think you can save me

### **Million Years Ago lyrics**

[Adele]

I only wanted to have fun

Learning to fly...  
Learning to run...  
I let my heart decide the way  
When I was young...  
Deep down I must have always  
known  
That is would be inevitable  
To earn my stripes I'd have to pay!  
And bear my soul  
I know I'm not the only one  
Who regrets the things they've done  
Sometimes I just feel it's only me  
Who can't stand the reflection that  
they see  
I wish I could live a little more  
Look up to the sky, not just the floor  
I feel like my life is flashing by  
And all I can do is watch and cry  
I miss the air, I miss my friends  
I miss my mother; I miss it when  
Life was a party to be thrown

But that was a million years ago

When I walk around all of the streets

Where I grew up and found my feet

They can't look me in the eye

It's like they're scared of me

I try to think of things to say

Like a joke or a memory

But they don't recognize me now

In the light of day...

I know I'm not the only one

Who regrets the things they've done

Sometimes I just feel it's only me

Who never became who they thought  
they'd be

I wish I could live a little more

Look up to the sky, not just the floor

I feel like my life is flashing by

And all I can do is watch and cry

I miss the air, I miss my friends

I miss my mother, I miss it when

Life was a party to be thrown

But that was a million years ago

A million years ago!

### **All I Ask lyrics**

[Adele]

I will leave my heart at the door

I won't say a word...

They've all been said before, you  
know

So why don't we just play pretend

Like we're not scared of what is  
coming next or scared of having  
nothing left!

Look, don't get me wrong

I know there is no tomorrow

All I ask is...

If this is my last night with you

Hold me like I'm more than just a  
friend

Give me a memory I can use

Take me by the hand while we do  
what lovers do

It matters how this ends

'Cause what if I never love again?

I don't need your honesty

It's already in your eyes and I'm sure

my eyes, they speak for me

No one knows me like you do

And since you're the only one that

matters

Tell me who do I run to?

Look, don't get me wrong!

I know there is no tomorrow

All I ask is

If this is my last night with you

Hold me like I'm more than just a

friend

Give me a memory I can use

Take me by the hand while we do

what lovers do

It matters how this ends

Cause what if I never love again?

Let this be our lesson in love

Let this be the way we remember us

I don't wanna be cruel or vicious

And I ain't asking for forgiveness

All I ask is...

If this is my last night with you

Hold me like I'm more than just a

friend

Give me a memory I can use

Take me by the hand while we do

what lovers do

It matters how this ends

'Cause what if I never love again?

### **Sweetest Devotion lyrics**

[Adele]

With your loving, there ain't nothing

That I can't adore

The way I'm running, with you,

honey...

Is we can break every low

I find it funny that you're the only

One I never looked for

There is something in your loving

That tears down my walls

[Pre-Chorus]

I wasn't ready then; I'm ready now

I'm heading straight for you

You will only be eternally

The one that I belong to

[Chorus]

The sweetest devotion...

Hitting me like an explosion

All of my life!

I've been frozen!

The sweetest devotion I've known

I'll forever be whatever you want me

to be

I'll go under and all over for your

clarity

When you wonder if I'm gonna lose

my way home

Just remember, that come whatever

I'll be yours all alone...

I wasn't ready then

I'm ready now

I'm heading straight for you

You will only be eternally

The one that I belong to

The sweetest devotion

Hitting me like an explosion

All of my life

I've been frozen

The sweetest devotion I've known

I've been looking for you, baby

In every face that I've ever known

And there is something about the

way you love me  
That finally feels like home  
  
You're my life, you're my darkness  
You're the right kind of madness  
And you're my hope, you're my  
despair  
You're my scope, everything,  
everywhere

The sweetest devotion  
Hitting me like an explosion  
All of my life, I've been frozen  
The sweetest devotion I've known

Sweetest  
It's the sweetest!  
  
Sweetest  
It's the sweetest!

Sweetest  
It's the sweetest!  
  
Sweetest

It's the sweetest!

Devotion...!

### **Can't Let Go lyrics**

[Adele]

When did it go wrong...

I will never know...

I have loved you all my life

How did it slow down

I go round and round

Thinking about it all the time!

I gave you heaven on a platter baby

I gave you everything you never  
gave me

I never lied and I never faked it

Only wanted for you to save me

This love, it ain't all greed

There's too much that I haven't said

Did you find the note that I wrote!?

I hid it in the seam of your coat

It was hard to write with a lump in  
my throat

Do you even know I can't let go?

Why were you so cold, let the truth

be told

Tell me was it all for the thrill?

What was I thinking, I gave you  
everything

But you still went for the kill

I gave you heaven on a platter baby

I gave you everything you never  
gave me

I never lied and I never faked it

Only wanted for you to save me

Did you find the note that I wrote?

I hid it in the seam of your coat

It was hard to write with a lump in  
my throat

Do you even know I can't let go

Ooohhhh sometimes I feel like I'm in  
the dark

Ooohhhh I thought I died in your  
arms

Did you find the note that I wrote?

I hid it in the seam of your coat

It was hard to write, I had a lump in  
my throat

Do you even know that I can't let go

Hope you know

I won't let go...

### **Lay Me Down lyrics**

[Adele]

I would never lie to you unless you  
tell me to...

Every part of me

All my words to hold

And hold against me

Why won't you let it be?

Don't you ever say my love opened  
up your heart

No I'm not gonna do it standing up

The words don't come out right when  
you're right in front of me

Help me baby

Won't you turn off the lights

Lay me down

'til the morning!

Lay me down (through the night)

Lay me down (I can fall in)

Lay me down (Won't you)

Lay me down (I can baby)

Lay me down (Someone believe me)

I would never break the rules unless  
you tell me to

You can read my mind, be it truth or  
lies

Lie down beside me, why won't you  
let it be?

Don't you ever say my love opened  
up your heart

No I'm not gonna do it standing up

The words don't come out right when  
you're right in front of me

Help me baby, won't you turn off the  
lights

Lay me down ('til the morning)

Lay me down (through the night)

Lay me down (I can fall in)

Lay me down (Won't you)

Lay me down (I can baby)

Lay me down (Someone believe me)

Lay down with me

Lay down with me

Lay down with me

Lay down with me

Words don't come out right when

you're right in front of me

Help me baby, won't you turn off the  
lights

Lay me down ('til the morning)

Lay me down (through the night)

Lay me down (I can fall in)

Lay me down (Won't you)

Lay me down (I can baby)

Lay me down

Someone believe me

### **Why Do You Love Me lyrics**

[Adele]

Why do you love me

Do you love me...?

Why do you love me

Do you love me?

Why do you love me

Do you love me?

Why do you love me...?

Why do you love me, do you love  
me?

Why do you love me, do you love  
me?

Why do you love me, do you love  
me?

Why do you love me?

Why do you love me?

There must be something in the  
water

Cause baby I'm in deeper than I  
knew

How do you keep me coming back

for more  
After all we've been through  
I can't decide if I should run and hide  
It's above and beyond me  
The start of my hands  
Your love drives me crazy  
It's hard to understand just why  
I want you to love me  
I want you to love me  
I want you to love me  
I want you to love me...  
Who knows why I love you  
It could be something in the air I  
breath  
Whatever it is, I depend on it  
Where does the time go?  
I spend every single moment  
daydreaming of you  
I can't describe how I feel, it feels  
right  
It's above and beyond me inside of  
my head  
Your love drives me crazy  
It's hard to understand just why  
I want you to love me  
I want you to love me  
I want you to love me  
I want you to love me  
You were a shock in the dark that  
blew me away  
And you left your mark and it never  
will fade  
You ignited a spark, let the fires  
away  
Are you ready, ready?  
You have a place in my heart that  
will always be yours  
You are the peak and art of my  
universe  
Every piece and part, you were the  
first  
I am ready, ready

It's above and beyond me, inside of  
my head

Your love drives me crazy, it's hard  
to understand just why

I want you to love me

I want you to love me

I want you to love me

I want you

It's above and beyond me, the start of  
my hands

Your love drives me crazy, it's hard  
to understand just why

I want you to love me

I want you to love me

I want you to love me

I want you to love me...

Why do you love me, do you love  
me?

Why do you love me, do you love  
me?

Why do you love me, do you love  
me?

Why do you love me, do you love  
me?

### **When We Were Young lyrics**

[Adele]

Everybody loves the things you do

From the way you talk

To the way you move...

Everybody here is watching you

'Cause you feel like home

You're like a dream come true

But if by chance you're here alone

Can I have a moment?

Before I go?

'Cause I've been by myself all night  
long

Hoping you're someone I used to  
know

You look like a movie

You sound like a song

My God

This reminds me, Of when we were  
young

Let me photograph you in this light

In case it is the last time

That we might be exactly like we  
were

Before we realized

We were sad of getting old

It made us restless

It was just like a movie

It was just like a song

I was so scared to face my fears

Cause nobody told me that you'd be  
here

And I swore you moved overseas

That's what you said, when you left  
me

You still look like a movie

You still sound like a song

My God, this reminds me

Of when we were young

Let me photograph you in this light

In case it is the last time

That we might be exactly like we  
were

Before we realized

We were sad of getting old

It made us restless

It was just like a movie

It was just like a song

When we were young...

(When we were young)

When we were young...

(When we were young)

It's hard to win me back

Everything just takes me back

To when you were there

To when you were there

And a part of me keeps holding on  
Just in case it hasn't gone  
I guess I still care  
Do you still care?

It was just like a movie  
It was just like a song  
My God, this reminds me  
Of when we were young

When we were young...  
(When we were young)  
When we were young...  
(When we were young)

Let me photograph you in this light  
In case it is the last time  
That we might be exactly like we  
were  
Before we realized  
We were sad of getting old  
It made us restless  
I'm so mad I'm getting old

It makes me reckless  
It was just like a movie  
It was just like a song  
When we were young

### **Remedy lyrics**

[Adele]

I remember all of the things that I  
thought I wanted to be  
So desperate to find a way out of my  
world  
And finally breath  
Right before my eyes I saw my heart  
it came to life  
This ain't easy, it's not meant to be  
Every story has its scars

But When the pain cuts you deep  
When the night keeps you from  
sleeping  
Just look and you will see  
That I will be your remedy  
When the world seems so cruel

And your heart makes you feel like a  
fool  
I promise you will see  
That I will be  
I will be... your remedy

No river is too wide or too deep for  
me to swim to you  
Come whenever I'll be the shelter  
that won't let the rain come through  
Your love it is my truth  
And I will always love you  
Love you, ahhh

When the pain cuts you deep  
When the night keeps you from  
sleeping  
Just look and you will see  
That I will be your remedy  
When the world seems so cruel  
And your heart makes you feel like a  
fool

I promise you will see  
That I will be, I will be your remedy  
Oh  
Oh

When the pain cuts you deep  
When the night keeps you from  
sleeping  
Just look and you will see  
I will be, I will be

When the world seems so cruel  
And your heart makes you feel like a  
fool  
I promise you will see  
That I will be  
I will be  
I will be your remedy
