9. Special deepest lovely gratitude to my beloved parents and my big family, my uncles, my aunts, my grandmother, my grandfather, and my cousins, for all the great support that have been given to me.
10. All of my lecturers in Business Administration Department, for showing me precious knowledge and experiences.
11. Thank you very much for my big family in Administration English Club (AEC) especially for BOA.
12. All of my friends, especially from International Class of Business Administration Department 2010. Thanks for the friendship and give the great time together.
13. All of my friends in my beloved boarding house “*Wartel Efektif*”. Thanks for warm fellowship, nice joking, helping, cheerful, and kindness on me.
14. All of my friends, and everyone who give a valuable support, fellowship, fun, and laughter to me

In addition, I would like to thank to all of those who are not mentioned but had given contribution during the accomplishment of this minor thesis. I realize that this undergraduate thesis is still far away from being perfect. Therefore, I really appreciate for the following research in the same field and theme to complement my undergraduate thesis in purpose of broadening our knowledge in the future. Finally, I hope that the final result of this undergraduate thesis can be helpful for other people and give them useful benefit.
