## BAB I

### PENDAHULUAN

1.1 Latar Belakang ........................................... 1
1.2 Rumusan Masalah ........................................ 4
1.3 Tujuan Penelitian ........................................ 5
  1.3.1 Tujuan Umum ........................................ 5
  1.3.2 Tujuan khusus ....................................... 5
1.4 Manfaat Penelitian ..................................... 6

## BAB 2

### TINJAUAN PUSTAKA

2.1 Pengetahuan ............................................. 7
  2.1.1 Pengertian Pengetahuan ................................ 7
  2.1.2 Tingkatan Pengetahuan ................................ 7
  2.1.3 Faktor-Faktor Yang Mempengaruhi Pengetahuan ........ 9
2.2 Imunisasi Dasar ........................................ 12
  2.2.1 Pengertian Imunisasi ................................ 12
  2.2.2 Tujuan Imunisasi .................................... 13
    2.2.2.1 Tujuan Umum .................................... 13
    2.2.2.2 Tujuan Khusus .................................. 13
  2.2.3 Sasaran Program Imunisasi ........................... 14
  2.2.4 Manfaat Imunisasi .................................... 14
  2.2.5 Jenis Imunisasi ...................................... 15
    2.2.5.1 Imunisasi Aktif ................................ 15
    2.2.5.2 Imunisasi Pasif ................................ 17
  2.2.6 Jenis-Jenis Imunisasi dasar .......................... 19
    2.2.6.1 BCG ............................................ 19
    2.2.6.2 Hepatitis B .................................... 20
    2.2.6.3 DPT ........................................... 23
    2.2.6.4 Polio .......................................... 24
    2.2.6.5 Campak ......................................... 25
  2.2.7 Respon Imun .......................................... 26
  2.2.8 Keberhasilan Imunisasi ............................... 27
  2.2.9 Faktor-Faktor Yang Mempengaruhi Pelaksanaan Imunisasi Dasar Pada Bayi ................................. 31
2.3 Kejadian ikutan Pasca Imunisasi (KIPI) .................. 33
BAB 3 KERANGKA KONSEP DAN HIPOTESIS PENELITIAN

3.1 Kerangka Konsep .......................................................................................... 53

3.2 Hipotesis ........................................................................................................ 53

BAB 4 METODE PENELITIAN

4.1 Rancangan Penelitian ....................................................................................... 55

4.2 Populasi dan Sampel ....................................................................................... 55

4.2.1 Populasi .................................................................................................. 55

4.2.2 Sampel ..................................................................................................... 55

4.2.2.1 Cara Pemilihan dan Jumlah Sampel ................................................... 56

4.2.2.2 Kriteria Populasi Penelitian ............................................................... 57

4.3 Tempat dan Waktu Penelitian ....................................................................... 57

4.4 Variabel Penelitian ......................................................................................... 57

4.5 Instrumen Penelitian ....................................................................................... 58

4.5.1 Bahan dan Alat ......................................................................................... 58

4.5.2 Uji Validitas dan Reabilitas ....................................................................... 58

4.5.2.1 Uji Validitas ......................................................................................... 58

4.5.2.2 Uji Reliabilitas .................................................................................... 59

4.6 Definisi Operasional ....................................................................................... 61

4.7 Pengumpulan Data ......................................................................................... 62

4.7.1 Prosedur Penelitian .................................................................................. 62

4.8 Pengolahan Data ............................................................................................. 63

4.9 Analisa data .................................................................................................... 63

4.9.1 Analisis Univariat .................................................................................... 64

4.9.2 Analisis Bivariat ....................................................................................... 64

4.10 Etika Penelitian ............................................................................................. 65

4.11 Kerangka Kerja ............................................................................................. 67

BAB 5 HASIL PENELITIAN

5.1 Gambaran Umum Lokasi penelitian ............................................................. 69

5.2 Demografi Responden .................................................................................... 70

5.2.1 Distribusi Usia Responden ........................................................................ 70
5.2.2 Tingkat Pendidikan Responden ........................................ 70
5.2.3 Pekerjaan Responden ................................................... 71
5.2.4 Pendapatan Responden .................................................. 72
5.2.5 Persentase KIPI yang Dialami ...................................... 72
5.2.6 Persentase Penyuluhan Tentang KIPI .......................... 73

5.3 Hasil Univariat ..................................................................... 73
5.3.1 Persentase Pengetahuan Ibu Tentang KIPI .............. 73
5.3.2 Persentase Sikap Ibu Tentang KIPI .......................... 74

5.4 Analisis Hubungan Antar Variabel .................................... 75
5.4.1 Analisis Pengaruh Pengetahuan Ibu Tentang KIPI
   Terhadap Perilaku Mendapatkan Imunisasi Dasar Lengkap 75
5.4.2 Analisis Pengaruh Sikap Ibu Tentang KIPI Terhadap
   Perilaku Mendapatkan Imunisasi Dasar lengkap ............ 76

BAB 6 PEMBAHASAN
6.1 Hasil Penelitian Univariat .............................................. 78
   6.1.1 Tingkat Pengetahuan Ibu Tentang KIPI ..................... 78
   6.1.2 Sikap Ibu Tentang KIPI ......................................... 81

6.2 Hasil Penelitian Bivariat .................................................. 83
   6.2.1 Tingkat Pengetahuan Ibu Tentang KIPI Terhadap
       Perilaku mendapatkan Imunisasi Dasar Lengkap ......... 83
   6.2.2 Sikap Ibu Tentang KIPI Terhadap Perilaku
       Mendapatkan Imunisasi Dasar Lengkap .............. 85

6.3 Keterbatasan Penelitian .................................................. 86
6.4 Implikasi Terhadap Bidang Kedokteran dan Kebidanan ..... 87

BAB 7 PENUTUP
7.1 Kesimpulan ...................................................................... 88
7.2 Saran ................................................................................ 88

Daftar Pustaka ...................................................................... 90
