Universitas Brawijaya Universitas Brawijaya are some omissions and additions in Mirror Mirror movie. Maria Tatar, in Off With Their Heads!, writes: Itas Brawijaya Universitas Brawijaya ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Bra Fairy tales are not written in granite. My own experience has universitas Brawijava shown that we continue to rewrite the tales as we reread them, even though the words on the page remain the same. But it is Universitas Br important to remember that what we produce in our retellings and B rereadings discloses more about an adult agenda for children than inversities about what children want to hear. Thus fairy tales may not offer may not offer much insight into the minds of children, but they often document our shifting attitudes toward the child and chart our notions about childrearing in a remarkable way. In a sense, these same By credentials allow all of us to retell fairy tales to our children, even University if we may never be able to get the cultural script quite right." (1992, p.19). Those mean every fairy tale which becomes a heritage from generation to Universi generation may get some new interpretations from the original version and every version may be different. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya ersit3.1. **Character and Characterization** Universitas Br Character is one of the important elements that builds a story. Even the Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi quality of the story depends on the ability of the author to make the character alive. Character is a person that participates in the events that happen in the story rawijaya Universi Each character in a certain story is made differently with another either that it as Brawijaya Universitas Brawijaya Universitas Brawijaya character is dominant and strong, or event in contrast, passive and weak. According to Kenney in his book How to Analyze Fiction (1966, p.28) wrote that, Universitas Bra character is devided into two general descriptions concerning his representation in a certain fiction, which are minor character and major character. A character known as a minor character if the viewer can only see one side of the character. The author only gives a few details about these character. A minor character in fact, is not too represents the true human personalities as a manifestation of a single attitude or obsession in character. In contrast, major character is viewable from all sides and have a lot of details given from the author. From the explanation above, it can be inferred that every character has their position in a story. How the major character contributes in the changing of the plot and how the minor character in the story commonly becomes the way to Universit show the messages of the story. Every character has at least one characterization to describe their position in a story. The characterization given to a character can Universitinitiate societies to draw an image for those characters in society. The existing states Universifiary tale shows some famous character and their characterization. Snow White forsitias Brawijava example, as an old character whose images as a good and beautiful, will be Universit hought by the society as a good character. Along with the society's development, Sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Snow White character in old fairy tale have been remade into new story and character. Universitas Brawijaya Universitas Brawijaya Character and Characterization in Snow White and The Seven Dwarfs Universitas **Movie**jaya Universitas Brawijaya Universit simple or minor character and the second is major character. As explained above sitas Brawijaya Universiminor character is a character that does not have a big role in changing the plot of sites a story and serves only as a complementary character. Of course, the minor Universit character is one of the character represented in the story, but they do not role as Sitas Brawijaya Universi the main one (Hirschberg & Hirschberg, 2004, p.55). The characters in this movie sit are Mirror, Huntsman, Snow White, Seven Dwarfs, Queen, and Prince. The Universitexplanation below will be focused on some character which is relevant with thesitas changes of women image. Universita. Mirror The mirror in this movie is a magic mirror owned by the Queen, it is reflects a man face which can answer the Queen's questions. Beside the face the Universit mirror also has voice which sounds like an old man. Therefore the writersitas concludes that the mirror represents a man. Almost every day, the Queen asks her mirror about who is the fairest of them all, the magic mirror always says the queen Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitis the fairest of them all. The magic mirror never tell lies, it always says what the sitas Brawijava truth that's why Queen always believe what the mirror says. The magic mirror can be seen clearly from the University picture that it has dark color, the color which is commonly represents a dark sitas Brawijaya Universit magic and evil. Actually it looks an ordinary mirror, a big mirror framed withsitas Brawijaya gold carved wood, which can show anyone shadow. However if the queen says Universithe magic spell "mirror mirror on the wall, who is the fairest lady on the land" the sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universit mirror will shows a man face and tell the answer. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya mirror is uneducated character. It can be concluded from the diction that he used Universi in his words he used some inappropriate words such as "Alas, she is more fair than thee" (Snow White and the Seven Dwarfs min; 00:02:53). The word more fair Universities by the mirror should be said *fairer* as. It means that although the man does it as B as Brawijaya Universitas Brawijaya Universitas Brawijaya Univernot smart enough hence he can make a statement which makes the Queen believes Universitas Brawijaya Universitas BraIn this scene, man domination to give standardization about beautiful lady which is represented by the man's face reflected in the mirror makes the queen to do everything to keep her position as the fairest lady of them all. A man inside the Universi mirror which can involve the queen condition brings the story fascinating. The patriarchal role in this scene is clearly shown. According to Walby (1990, 80) University patriarchy is a system of social structures and practices, in which men dominate, oppress and exploit women. Those mean that a judge about beauty from men is an Universitimportant thing for women. Jane and Imelda in their book Fifty Key Concepts Brawijaya (2004, 6) of Gender Studies wrote that: "The body has occupied a key position in a wide range of debates. including: men's control of women's bodies as a key means of Universitas Brasibordination, critiques of dichotomous thinking, and in debates Universitas Brabout essentialism and the theorizing of difference and diversity." Universitas BraWomen and men's body should be different because of their sex from sitas Brawijay rsitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universit God. But gender that is socially constructed makes women and men have their own position in society. Women are constructed to do everything to reach a standard of gender role. Those explanation means that the gender role gives standardization on physical attributes of beautiful women and women in society University will do everything to reach the standard. In other words society groups women sit as Brawijay Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya

Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya from their body. They have standardization to say beautiful and ugly, and commonly the physical estimation is based on patriarchal point of view. That is ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universit way women in society are obsessed to be the fairest one. as Brawijava The Queen in this movie who is obsessed to be the fairest lady on the land Universi becomes evidence that women have to force her in reaching the standardization.sitas B Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Although she is the queen, she never thinks about her kingdom condition, all she concern only keeping her beauty. From this fact also can be seen that woman's as Brawijaya Universit Universit body become the most concerns is rather than woman's ability. The patriarchal point of view represented by the man in the magic mirror holds an important role in judging women's body. The man in magic mirror makes a statement about who Universi is the fairest lady on the land without any consideration, he just say Snow White beauty from his own point of view. Universitb. Seven Dwarfs There are seven dwarfs who live in the forest and help Snow White to Universit survive. They work as a miner, they take diamonds every day. They work from early morning until Universi late afternoon. They are good singers too, they usually sing in every activity. In this movie, those dwarfs give Snow White place for living. The dwarfs allow Snow White to live in their house because Snow White can take care of them. Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijava Universitas Brawijava division of labour. A man which is always figured out as a brave, tough, and strong character is reputed better in role as the worker than a woman which is ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi always represented weak character in a story. The stereotype that marginalize women to do only domestic jobs and the judgment which puts women weaker Universi than man makes the position of woman in society become worse. Trisakti and a Brawijaya Sugiharti (2001, 16) wrote that: ra Akibat adanya stereotipi (pelabelan) ini banyak tindakan tindakan niversitas Brawijaya yang seolah-olah sudah menjadi kodrat. Misalnya: karena secara niversitas Brawijaya ra sosial budaya laki-laki dikonstruksikan sebagai kaum yang kuat, Iniversitas Brawijaya Universitas Bra makalaki-laki biasanya akan berlatih untuk menjadi kuat. From the quotation above it can be concluded that society group man and woman to make a stereotype between those gender. Society makes believe that Universithere are some roles which can only be filled by men and there are some which it as cannot be filled by men. Men in society are constructed to be strong, and they Universi have to prepare themselves to be the strong role in society. And women can dositas nothing but becoming the object that needs men's role in their lives. And these gender biases become a tradition from generations.
