Universitas Brawijaya **Universitas Brawijava** Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universithe flouting occurs in a conventional context, the communication ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi harmonious. However, if the flouting is committed in the context of humor, then it sit as sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas will show the funniness. As performed by Ted character in the TV series "How I sitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas UniversitMet Your Mother Universitas Brawijaya Universitutterances delivered by the character Ted flouted the Conversational Maxims. The Universitmost often flouted Maxim which is done by the character Ted and most oftensitas made the audiences laughed after heard it was Maxim of Quality by delivering something not tangible and not in accordance with the facts that should be versi supported and based on clear evidence. The second most flouted was Maxim of sites Quantity, because the speaker delivered too much or too little information. Universi Subsequent flouting was a flouting Maxim of Relation where the speaker did not sit as contribute relevant to something that was spoken before. The least flouting that Universit occurred was flouting Maxim of Manner. It was done when speaker uttered sitas Brawijaya Universi something by giving unclear statement or said something vaguely. Based on the findings obtained by the researcher, in this discussion, the University researcher tried to interpret these findings using another point of view. Thesitas Brawijaya researcher found that the flouting of conversational maxim in humor, especially in sitcom "How I Met Your Mother", also influenced by two factors, there were, the ersitas Brawijaya Universitas Brawijaya Universitas Universi relationship between the main character with other characters and the characters it as Brawijava ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya emotion when the utterance was uttered by the speakers. Universities The evidence that the relationship between Ted and the other characters also encouraged the flouting of the Maxim of Quality was when Ted made the Universitas Brawijaya Universitas Brawijaya **Universitas Brawijaya** 

Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya **Universitas Brawijava** Universitas Brawijaya Universitas Brawijaya **Universitas Brawijava** Universitas Brawijaya Universitas Brawijaya University audiences laughed by mocking his friends. The often time of the teasing activities Universi happen proves that there was the closeness between them, in hoping that the site ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Univers ridicule thing would not hurt each others. Then, the evidence that the character ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya University emotion was also spurring the flouting of the Maxim of Quality was looked at asitas Bra Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas B Universities Brawijaya
Universities Brawijaya Universitas Different relationship causes different effects, for example the relationship it between Ted and Zoey, the first woman he saw and had made him fall in love. With their relationship, Ted several times also flouted the Maxim of quality by Universi lying. Because of his attraction to her, Ted told a lie about his profession on Zoeysitas who was strongly disagreeing with the destruction of the Arcadian by the GNB Universit where Ted worked. It was because Ted did not want to give bad impression to woman he loves. The character emotion was also support the flouting. The Universitemotion which was happened on Ted at that time was the panic emotion. He was sit Universi in panic emotion because he did not know what he would do to woman he loved who turned out to be the enemy of GNB. Universitas Likewise the flouting of Maxim of Quantity, Ted often flouted the Maxim of Quantity when he was in a confuse emotion. For example, when Zoey knew the truth that Ted was an architect who worked with GNB to demolish The Arcadian. Universi Shortly after Zoey knew it and left Ted alone, a man approached Ted and askedsitas him why the he dressed as a witch in the billboard, but because he was in a confuse emotion, and the man who asked was a stranger, so Ted replied simply, Universit Because she's hot, okay'. The answer did not describe clearly about what the man Universitas Brawijaya Universitas Brawijaya

Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitives was asking. This proved that the flouting of Conversational Maxim was occurred Universi because also supported by the current emotion when the speaker talked and also ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya the relationship between the main character and other characters. ersitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Also in the Maxim of Relation, the relationship between the main characters in Universitas Brawijaya University occurred also influenced the character to flout the Maxim of Relations in his Universitutterance. For example was the respond from Ted when Barney invited Ted tosit discuss the three women who would tease by Barney. Ted as a person who was already very familiar with the Barney and was bored with a topic that was always Universi talking by Barney, which was about women, Ted quickly changed the subject between them in order to understand Barney that Ted was not at all interested in University what was being discussed.
