

But, Jimmy does not want to give up easily. He realizes if he is White American who has great power and never surrender in reaching his dream. After he struggles in reaching his dream, Jimmy can reach his dream to become a talented rapper. Jimmy can show his capability in rapping and become a talent rapper who admired by rap musicians especially Black rappers. The succes of Jimmy in gaining his dream to become a talented rapper breaks assumption if White people like him would never become a rapper. In other side, Jimmy's character can prove if White American like Jimmy can give a colour in Hip Hop music especially in rap music.

4.1 Suggestion

The conflict between Jimmy and those Blacks who live nearby can be made into a new paradigm about discrimination. Discrimination is always closely linked to Blacks, but White people also get an act of discrimination by Blacks. This research analyzes the character of Jimmy will give a new and complete explanation about a discrimination. Therefore, it is recommended for the next researchers to use comparative study by comparing *8 Mile* movie with another movie which has similar theme or topic on sociological aspect.
