By using language, humans can interact, communicate Brawijaya Universi Universi and share everything with others. Communication takes place with the help of sitas Brawijaya symbols, signs, words or body language. In communication, speakers convey their rawijava Universitutterances with a purpose. When they speak to others with purposes, the listeners it as might be able to get the message from the utterances, such as explaining ideas, giving information, expressing the feeling, or asking something. Those are the Universitways of how language is performed in communication. When language is performed, there must be a discourse. Discourse is Universit originated from French as discours. Viewed from linguistics, it can be understood Sitas Brawijaya Universitas Brawijay Universitas written or spoken language which has the quality of unity. It studies hows tas Brawijava language can be made coherent and cohesive. Cook (1989) defines discourse as rawijaya Universit "stretches of language perceived to be meaningful, unified and purposive." Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universities B. One part of discourse is discourse analysis. Brown and Yule (1983) state that discourse analysis is "the study of how forms of language are used in Brawijaya Universi communication." Therefore, it is related to what the speakers mean and what thesitas Brawijaya Universitas Brawijaya srawijaya rawijava

Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya **Universitas Brawijava** listeners get. Discourse Analysis deals with the language used in communication. Universified to the study of understanding social interaction. Meanwhile, sites the function of language in communication refers to the understanding of the Universit purpose conveyed by the speaker's utterances. Universitas Brawijaya Universitas Br Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Universitas Br Language function is an important thing in communication because it sitas Br Universit leads the listener to achieve the purpose of the speaker's utterances. Besides, the Universitbasic goal of communication is the success of meaning delivery process from the sitas speaker to the listener. According to Halliday (1973), the function of language is Universit"to describe how language is used." Meanwhile, Cook (1989, p.24) states that^{SI} Universi language function is "the function which the sender of a message intends to sites achieve with it." Therefore, language function is needed in communication Universitprocess because humans must have the same understanding of language/toSitas communicate well among them. Through this language practices, there is a connection between language Universi function and the effect for the listener. An appropriateness of language functionsitas can give a good impact for the listener. "The theories and methods for the Universitempirical study of the relations between discourse, social and cultural developments in different social domains" could be understood as Critical Discourse Analysis (Jorgensen et al., 2002, p.60).
