

ACKNOWLEDGEMENTS

First and foremost, I would like to present my deepest gratitude to Allah SWT for the blessing in finishing this thesis that can be accomplished as the partial fulfillment of the requirements for degree of *Sarjana Sastra*.

My sincere gratitude goes to my supervisor, Dra. Ismarita Ida Rahmiati, M.Pd. and my co-supervisor, Widya Caterine Perdhani, M.Pd. who have consciously guided me through out the entire process of this thesis with their patience and kindness. I would also like to thank to Isti Purwaningtyas, M.Pd. as my examiner, for the comments and suggestions for the completion of this thesis.

Likewise, a special gratitude is expressed to my beloved parents, Nur Salam and Maria Ulfa for their endless love, pray and motivation and also my brothers Rizky Nourma Putra, Fariz Nourma Putra and Akbar Nourma Putra for their support. I also want to thank to Wahyul Aminudin, who hasn't been tired in helping and motivating me and my friends: Myrna, Arin, Kana, Ajeng, Nana, Zulfa and Marvel for always giving me bunch of spirit.

Last but not least, I would like to thank to everyone that could not be mentioned one by one who has helped me during the process of this thesis.

Hopefully, this thesis can be useful for everyone especially students who want to improve their knowledge in linguistics.
