Universitas Brawijaya ersitas Brawijaya – Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Br Sociological approach is the idea of seeing Sociology in terms of sitas Literature. The term Sociology was founded from the Latin word socius which as Brawijaya University means companion and the Greek word logos which means study of, in short it can sit as Brawii Universitas Brawijaya Sociology learns about how one person interacts with another to form a society in Universitone Parea, Sociologists seek the correlation between the society itself and sites sociological imagination. As it is stated in Introduction to Sociology by Openstaxx College, Rice University (2003, pg. 12), a sociologist named Wright Universi Mills defined sociological imagination as how individuals understand their own and others' pasts in relation to history and social structure. By looking at Universit individuals and societies and how they interact through this lens, sociologists are sites able to examine what influences behavior, attitudes, and culture. The culture that Universithe society created had an impact within them whether they realize it or not. Sit Universit Literature is one part of culture that has a role in changing society by means of its products such as novels, music, and movies. Universitas Brasociological approach starts with the idea where art's relation to societysitas Brawijaya are vitally important. In this approach the critics mostly examine literature in the cultural, economic, and political context in which it is written or received. Bruford rsitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universi (1941, pg. 86) stated that "social and political factors exercise at all times as it as pervasive influence on culture in general, an influence which is none the less important for being difficult to trace with any certainty." as Brawijaya Universitas Brawijaya Universitas Brawijaya

When conflict occurs among people, the Universitaction or process of it may contain violence and various levels of intensity. Karlsitas Marx was the figure who developed conflict theory for the first time. He was Universit centrally concerned with class occured in capitalism. He argued that capitalism Universi could produce social classes by creating the conditions where the classconsciousness and failing economy existed (Dahrendorf, p.211). Marx argued that Universitin capitalism there are only two classes that matter, the owner and the workers. These two positions have different political interests. It makes power as the Universitionavoidable feature of all social relations. Conflict theory seeks to scientifically explain the general contours of conflict in society. How conflict starts and varies, and the effect it brings. The Universit central concerns of conflict theory are the unequal distribution of scarce recources and power. Conflict theorists generally see power as central feature of society, rather than thinking of society as held together by collective agreement Universit concerning a cohesive set of cultural standards. niversitas Brawijaya Universitas Brawijaya between two parties in In Time, poor people in Dayton and rich people in New Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya Universitas Brawijaya
