

ACKNOWLEDGEMENT

First of all, the writer sends up praise and gratitude to Allah SWT for His blessing and mercy so that the writer can finish this thesis properly.

Finishing this thesis is not a simple thing for the writer. Thus, the writer wants to dedicate a big appreciation and great thanks to Dr. Indah Winarni, M.A as the supervisor and Dra. Wuliatmi Sri Handayani as the co-supervisor for their guidance, advice, and patience which finally enabled the writer to finish her thesis successfully. The writer would also like to deliver a great gratitude for the examiner, Dra. Endang Sasanti, M.A for giving valuable correction and suggestion in examining this thesis.

The writer would like to dedicate this thesis to her parents, sisters and brothers who have given their love, care, inspiration, and prayers all the times. Special thank is also dedicated to Ahmad Jamaludin for his support and encouragement. Last but not least, for all the writer's friends in Study Program of English year 2009 who cannot be mentioned one by one, the writer would like to thank them for having shared information and spent times together.

Hopefully, this thesis can give useful contribution to Study Program of English students especially those who want to improve their knowledge in linguistics.
